Item No. 5: Review of NPTEL examination registration since the last Academic Council Meeting 15.7. 2025.

The Chairman presented a report on the NPTEL examination registration undertaken by students since the last Academic Council Meeting held on 15 July 2025

Members Suggested:

1. The NPTEL courses and internships completed through recognized platforms should be considered for academic credit, subject to departmental approval. ***(Dr.A.Sai Prasad, Vasavi College)***

2. Mentors shall monitor students' progress, provide timely guidance, counsel them on selecting suitable NPTEL courses, and encourage effective time management to enhance course completion and certification. ***(Dr.P.V.Sudha***, Osmania University***)***

Resolution:

After elaborate discussions, the recommendations were unanimously approved by the Academic Council.

Item No. 6: Review of UG and PG results of A.Y. 2025-26 including Honors.

The Chairman presented a comprehensive analysis of the UG and PG examination results of all Semesters for the Autonomous batches across all branches and specialization, including Honors programs.

Members Suggested:

1. Conduction of an external academic audit twice a year, at the end of each semester, to review the teaching-learning process, evaluation practices, and the quality of question papers. **(Dr. P. V. Sudha, Osmania University*)***
2. Also suggested that engaging experienced engineering academicians and industry professionals as external question paper setters, as they are more familiar with the prescribed curriculum, syllabus, and course outcomes, thereby ensuring greater alignment and relevance in the assessment process. ***(*Dr. P. V. Sudha,** Osmania University*)***

Resolution:

After elaborate discussions, the results were unanimously approved and ratified by the Academic Council.

Item No. 7: Approval of the ALMANAC for UG Programmes for A.Y. 2026-27 and UG & PG programmes for the A.Y. 2025-26.

The Chairman presented the ALMANAC for all years of Undergraduate (UG) and Postgraduate (PG) pragrammes for the Academic Years 2025-26 and 2026-27 to the Academic Council for review and approval.

The members recommended total 6 weeks vacation period per academic year, including the summer, Dussehra, and one-week January vacations, to ensure adequate instructional days and effective academic planning. ***(Dr.P.V.Sudha,** Osmania University*)***

Resolution:

After elaborate discussions, the Academic Council unanimously approved and ratified the ALMANAC for both UG and PG programme for the A.Y. 2025-26 and 2026-27.

Item No. 8: Review and approval of Course Structure and Syllabus of UG Programs I, II, III year of LR-24 Regulation, PG Programs under LR-26 and LR-25 regulation and Re-admitted students for A.Y. 2026-27.

The Chairman presented before Academic Council the course structure and syllabus of the following programs for review and approval;

- UG Programs : I, II Year & III Year under LR-24 Regulation
- PG Programs under LR-26 and LR-25 Regulation
- Guidelines and regulations for re-admitted students for the Academic Year 2026-27.

Members Suggested:

1. The Council recommended introducing regular Competitive Coding training and coding contests to enhance students' problem-solving abilities, technical proficiency, and readiness for internships and placement opportunities**.**
2. Competitive Coding should be incorporated into the curriculum as a credit-based course to strengthen students' analytical and problem-solving skills.***(Dr.A.Sai Prasad, Vasavi College)***
3. Industry-oriented coding courses should be introduced from the III to VI semesters to align students' programming skills with current industry requirements. ***(Dr.A Sai Prasad,Vasavi College)***
4. Greater emphasis should be placed on company-specific coding practices to enhance students' preparedness for campus recruitment and placement opportunities.***(Dr.A Sai Prasad ,Vasavi College)***
5. Students should develop competitive coding skills progressively from the second year onwards ***(Dr.Vivek Kulkarni,*** Vardhaman College of Engineering,***)*** and ***(Dr.P.V.Sudha,*** Osmania University***)***

Resolution:

After elaborate discussions, the syllabus and course structures of the UG and PG programs, along with

the guidelines for re-admitted students, as approved and recommended by the Boards of Studies (BoS) of the respective departments, were unanimously approved by the Academic Council.

Item No. 9: Ratification of question paper setters, external examiners and evaluators of SEE UG and PG Programs.

The Controller of Examination, LIET displayed the list of Question Paper Setters, External Examiners of SEE practical examination, projects and internships, and External Evaluators for theory examination of UG and PG before the Academic Council for ratification.

Members Suggested:

A list of paper setters must be prepared beforehand in the panel and shuffle the list every semester. ***(Dr.P.V.Sudha,*** Osmania University***)***

Resolution:

After discussions the Academic Council unanimously approved and ratified the list of Question Paper Setters, External Examiners and Evaluators for Semester End Examination (SEE) of UG and PG programs.

Item No. 10: Review and Approval of Mandatory Courses/ Design Thinking lab of UG programmes.

The Chairman presented to the Academic Council the Mandatory Courses, Audit Courses, and the proposed structure for the Design Thinking Lab for Undergraduate (UG) programmes ,seeking approval for courses that are required but not yet accepted or covered under the respective Boards of Studies (BoS).

Members suggested:

1. The Design Thinking Laboratory should encourage students to undertake innovative and out-of-the-box projects. ***(Dr.A Sai Prasad,Vasavi College)***

2. A structured Design Thinking framework should be adopted for project execution. ***(Dr.Vivek Kulkarni,*** Vardhaman College of Engineering,***)***
3. Design thinking projects should follow a human-centric approach to address real-world challenges effectively. ***(Dr.A Sai Prasad,Vasavi College)***

Resolution:

After elaborate discussions, the structure and implementation plan of the Mandatory Courses, Audit Course, and Design Thinking Lab were unanimously approved by the Academic Council.

Item No. 11: Review on Training and Placements

The Chairman presented a comprehensive progress report outlining the training initiatives implemented and the prevailing placement status of students across all departments. The Academic Council members highly commended the institution's commendable placement performance and appreciated its sustained efforts in enhancing student employability.

Members suggested:

1. The Council recommended providing equitable training and placement opportunities to all students, irrespective of their academic performance, to ensure inclusive career development and equal access to employment prospects.
2. The Council recommended facilitating student visits and internships at construction companies to provide hands-on practical experience, enhance industry readiness, and improve placement opportunities for Civil Engineering students.
3. The Council emphasized encouraging all eligible students to participate in campus recruitment drives and career guidance initiatives, ensuring maximum placement opportunities across diverse sectors.
4. The Council advised strengthening employability skills through regular aptitude training, communication skills, technical workshops, and mock interviews for all students.
5. The Council recommended increasing industry collaborations, internships, and skill development programs to enhance students' practical knowledge and placement readiness.

Resolution:

After elaborate discussions, and recognizing the importance and timeliness of the recommendations , all suggestions were unanimously accepted by the Academic Council.

Item No. 12: Review and approval of New Infrastructure Developed and Library

Books purchased.

The meeting proceeded with the review and approval of the newly developed infrastructure and the recent procurement of library books, ensuring alignment with institutional standards and academic requirements.

Resolution:

The members commended the Management for modernizing laboratories to meet emerging technological trends and support the institution's academic goals. Also the members appreciated the Management's continuous efforts in procuring books, and developing infrastructure to enhance the teaching-learning environment.

Item No. 13: Review and approval of newly joined Faculties.

The list of newly joined faculty was presented before the Academic Council for review and approval, along with the ratification of faculty already ratified through the prescribed process.

Resolution:

After elaborate discussions, the Academic Council unanimously approved the appointments of the newly joined faculty and ratified the list of faculty members who were ratified through the University prescribed process.

Item No. 14: Review and approval of R&D activities and Incentive Policy.

The Chairman presented before the Academic Council the Research and Development (R&D) activities undertaken by the institution and the proposed Incentive Policy for faculty and students, for review and approval.

Members suggested:

1. The Council recommended that research activities focus on both fundamental and applied areas to promote innovation and practical impact
2. The Members suggested leveraging **DRDO** research opportunities and problem statements, considering them valuable platforms for innovation and applied research. ***(Dr.A Sai Prasad,Vasavi College)***
3. The Council emphasized strengthening the research culture among students, highlighting its significance in meeting **NAAC** and **NBA** accreditation requirements ***(Dr.A Sai Prasad,Vasavi College)***
4. The Council emphasized the need to engage domain experts, retired scientists, and experienced professors to mentor faculty and students in conducting impactful research.

Resolution:

Members appreciated the R&D contribution made by the faculty and students. The R&D initiatives and the proposed Incentive Policy were unanimously approved by the Academic Council.

Item No. 15: Review and approval of NBA/NAAC/Autonomous compliance

A detailed discussion was held to assess the ongoing progress and preparedness with respect to NBA,NAAC, and Autonomous compliance requirements. The relevant reports, documentation, and

evidence were presented before the Academic Council.

Resolution:

Following comprehensive deliberations and a thorough review of the progress and supporting documentation, the Academic Council members expressed satisfaction with the institution's achievements. The compliance report pertaining to NBA, NAAC, and Autonomous accreditation was unanimously approved and endorsed by the Academic Council.

Item No. 16: Review on MBA Examination Revised Rules.

The chairman placed before the Academic Council the proposal for approval of Revised rules on MBA examination evaluation.

Resolution:

After detailed deliberations, the Academic Council unanimously approved the revised MBA examination evaluation rules and resolved to implement them from the ensuing academic session, subject to applicable institutional and regulatory norms.

Item No. 17: Any other item with the permission of the Chairman.

Under this item, members put forth additional suggestions to enhance academic and institutional practice.

Members Suggested:

1. Greater emphasis should be placed on strengthening Research and Development (R&D) activities.
2. Smart interview training, particularly for securing higher salary packages, should be provided to students.
3. Regular interaction with alumni and industry experts should be organized to provide career guidance and insights into current industry trends.
4. The Council recommended awarding academic credit to students who secure internships through

NPTEL courses, in accordance with the institution's academic regulations.

Resolution:

After elaborate discussions, all the above suggestions were unanimously approved by Academic Council.

Conclusion of the Meeting

The meeting concluded with a summary of the key decisions, recommendations, and approvals pertaining to all agenda items. Dr. J. Sasi Kiran, Dean–Planning & Coordination, Member Secretary, and Member of the Academic Council, proposed the vote of thanks. He expressed sincere gratitude to all the esteemed Academic Council members for their valuable suggestions, insightful deliberations, active participation, and continued support in strengthening the academic, research, and institutional framework of the college. The meeting ended on a positive note with a commitment to implementing the Council's recommendations for the overall development of the institution.
