#### REPORT

During the first week in the month of November, 2019, National Service Scheme(NSS Unit) of Lords Institute of Engineering and Technology has organized a one day free comprehensive eye testing & check-up programme in Room Number 23 & 24 in Administrative Block, Ground Floor, LIET Campus. Regular eye check-up can help detect serious eye problems like cataracts, glaucoma at the earliest stage and are mostly treatable. It also examines the visual function for proximal and distance vision that helps a person to have a clear vision without facing any difficulties. More than 260 students and faculty including both teaching and non-teaching attended the camp and were tested.

Dr.Vasavi and her assistant, Mr.Md.ObaidWasi and other prominent eye specialists from Sure Vision,LasikCentre,Mehdipatnam, Hyderabad treated the patients. They provided spectacles and other medicines on the spot and advised to visit their clinic for further treatment.
