A REPORT ON PETRO-GALA 2K18

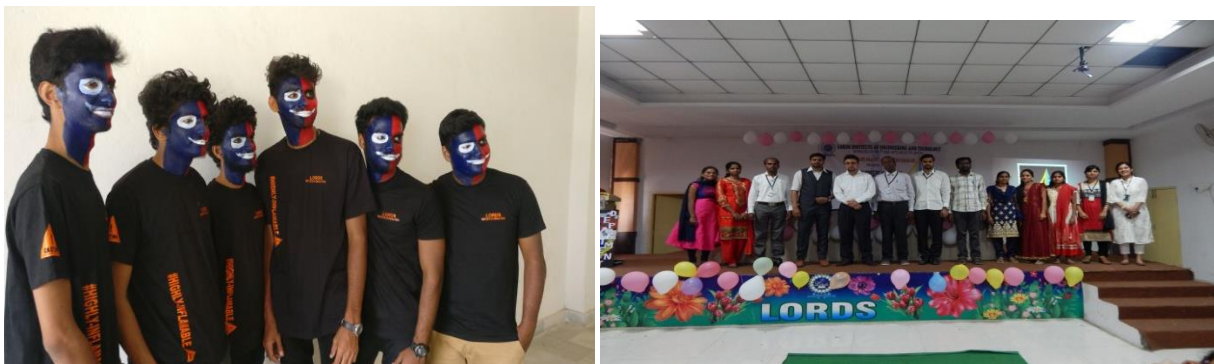

Our department conducted its technical, non- technical and cultural fest **FOSSILAGE** on March 19th 2018. The program was a grand success. The event was started at 11:00 AM with a departmental presentation done by Mr. Gokul P.R, fourth year student and followed by a prayer sung by the students of the department. The function has started with HOD's welcome speech. The event was presided by our Principal Dr. S Althaf Hussain. It was followed by inauguration of the function done by the chief guest Mr. A.N Salman, chief installation manager, BPCL, Charlappally. And felicitation of the guest had done by the Mr. K. Srikanth Kumar, HOD, along with the staff. And a logo for the department has been launched in the function. The inaugural function came to an end by 12.30 PM.

By the end of the session there is an interacting section with the guest has been done. Students have been asked their doubts about the down stream sector to the guest and he has well explained the rules and regulations and safety regulations. His speech was an inspiring one. Abhilash Babu from fourth year has been selected as the best designer for the event and Vishnu Ramesh from thirdyear has been felicitated for the best design of the departmental logo.

The program for cultural events had been stated after the lunch at 2:00 PM. The program was started with aIslamic song “Nath” by Suhail Khan, thirdyear. And a special Yemeni cultural dance did by fourth year Yemeni students and it is followed a song sung by Rengith R Nair second year student. And fifth program was a mime performance done by the Kerala students. SaifShareef from fourth year had sung a song and it was followed by a quiz competition done by Mr.ZeeshanNizamifourthyear student and he had divided the audience into four groups. And the group three has worn the first price and the group four has won the second price.

The special programs from faculty members are also done in the function. Special shayari performance has been done by Mr. Salman Khan (Assistant professor of department of petroleum).

Students had expressed their experience from the last industrial visits and motivational speech from the Head of the Department K.Srikanth Kumar and M.S.N Prasad Reddy (Assistant professor Department of petroleum).

The student from third year Allen G Jose has been expressed vote of thanks.

The cultural program has been end with a ramp walk done by all the students from the department and a group dance.

The dance performance by our students during the second session was really enjoyable. Fest was really an enjoyable one with delicious food items and cool drinks.

As a whole the program was a great success beyond our expectation, and for this we would like to thank our management and executive committee members for their full support and encouragement. We are also thankful to our respected Principal for his motivation and guidance. We extend our gratitude to all the committee members teaching and non teaching, administrative staff and our dedicated students.

Last but not the least we express our thanks to the security staffs, bus crew and the cleaning staffs for their cooperation during the fest.
