## MAGNUS INSTITUTE ANNUAL MAGAZINE

2019-2020

### VISION

Excel the student's knowledge and ability, skills by the basic concepts of science and to enhance creative ideas to create new things.

To attain excellence in pedagogy, and provide potential skills in the areas of humanities and social sciences.

To prepare professional leaders to face the emerging global challenges and to foster cultural enrichment.

Strives to create an atmosphere of learning to enable the students to develop sound cognitive and problem solving skills.

To craft life-long readers and writers and to train their critical flavor and to enable them to arrive at an estimate of a given work of art.

To contribute significantly to the country's goal of a 'developed country' in all aspects.

### CHIEF PATRON's

Sri. C.A. Basha Mohiuddin  
The Chairman, Lords Educational Society  
Smt. Rizwana Begum, Secretary,  
Lords Educational Society  
Sri. Touseef Ahmed, Vice Chairman,  
Lords Educational Society

### PATRON's

Dr. S. Althaf Hussain, Director, LIET  
Dr. Mohammed Yousuf Ali, Principal, LIET  
Dr. Syed Azam Pasha Quadri  
Vice Principal, LIET

### Student Coordinators:

Ameenuddin, IT-A & Syed Fawaz Ali, IT-B  
Mohd Abdul Khadeer, Civil-A  
Mohammad Azeem Muzawar, Civil-B  
Mohammed Shoaib Sharief, EEE

### MISSION

To Provide an amicable ambience to inspire the students to indulge in authentic research, creativity and innovation.

To Encourage the students to know the practical applications of concepts through experience and participation.

To improve logical thinking and systematic action of students.

To Develop students' ability to converse rationally, speculatively, and inventively in ways that are appropriate across the disciplines.

To endeavor to excel in knowledge and human resource capacity building in science without sacrificing quality and quantity.

To provide basic and advanced skills to students in computer software enabling self - reliance and maximization of capabilities.

### EDITORIAL BOARD

#### Chief Editor:

Dr. J. Sasi Kiran, Prof & Dean – 1<sup>st</sup> Year

#### Associate Editor:

Prof. MD Irshad Ali, HOD-S&H

#### Editors:

Prof. Syeda Nusrath Fatima, HOD-English

Ms. Tanveer Fatima, Asst. Prof- English

#### Faculty Coordinators:

Dr. S.Swarnalata, Prof & HOD- Physics

Dr. Rehana Anjum, Prof & HOD-Chemistry

#### Student Coordinators:

Adnan Ali Khan CSE-A

Rumeza Fatima, CSE-B,

Suhail, CSE-C

Wali Mohammed Imran, Mechanical-A

V.L. Satyanjali – ECE-A

## MESSAGES FROM GOVERNING BODY & EDITORIAL BOARD

### CHAIRMAN'S MESSAGE

The pride of every student and staff would be in his/her college. A College may reach heights of glory but without materials like a college Newsletter, the outside world may not know of it. The essential purpose of our college magazine 'MAGNUS' is to inform, engage, inspire and entertain a diverse readership- including alumni, parents, students, faculty, staff and other friends of the college-by telling powerful stories that present a compelling, timely and honest portrait of the college and its extended family. I am happy that there is a dedicated team of staff and students who have brought out the Newsletter of Science and Humanities Department our college.

### SECRETARY'S MESSAGE

Engineers play the most vital role in nation building. They create new inventions using best engineering technologies to make human life more comfortable, secure and productive. We need enormous number of engineers to write next story of success. We have identified the needs of modern engineering and technology education for modern age students, with a vision and mission accompanying transparency, accountability and accessibility which keeps us abreast and also ahead of our competitors.

At the outset I send my greetings to the Editorial Board, for working on the magazine. This magazine should be a good source of guidance for faculty and coming batches of students in choosing activities of their choice in their future for building their careers. I appreciate the efforts of the Editorial team who have done an excellent job in compiling activities over the year and disseminate them through this Newsletter as well as on the college website.

### VICE CHAIRMAN'S MESSAGE

Lords Institute of Engineering and Technology was established to impart academic excellence by providing a conducive environment for the overall personality development of Young technocrats. Spanning more than a decade, the college is covering many milestones year after year incorporating all modern mechanisms of technological research and application. Within this span of time, it has emerged as one of the leading Engineering colleges.

We have a perfect blend of academics and dynamic environment to motivate everyone – the management, faculty and students to deliver their best. Our objective is to create a class of

Qualified, innovative and dynamic professionals for the Engineering sector, for self-employment and for academic & research institutions of socio-economic importance.

### DIRECTOR'S MESSAGE

Greetings and a very warm welcome, Our college works diligently to realize its mission of providing the best learning, teaching and research opportunities to students and academicians alike, it continues to supply students with the basics of modern knowledge and high values. The research activities of our faculty lead to an extraordinary enrichment of the experience of our students that is realized at both the graduation and Masters levels Our students learn the joy as well as the rigours of new discovery, and acquire skills of inquiry, evaluation, and communication that provide a foundation for the next phases of their careers and lives.

### PRINCIPAL'S MESSAGE

Our College has grown abundantly in the recent past. It continues to sustain its growth. People reading this 'MAGNUS' institute annual magazine will realize the tremendous changes that are happening in the campus. The magazine is presenting a glimpse of the growth of the institution on many fronts. The highly qualified and dedicated members of staff has always stood shoulder to shoulder with the management and has carried out their duties with high level of commitment.

This magazine has recorded achievements such as conferences attended by staff members and students, competitions won by the hugely talented students, innovative projects carried out by students with the guidance of faculties, among others. Let's give our best and make this institution a modern sanctuary of learning through our diligence, devotion and dedication. I congratulate all the contributors and the editorial board for bringing out such a beautiful magazine.

### VICE-PRINCIPAL'S MESSAGE

It gives me immense joy to learn that our College has its deep roots in the field of education in the city of Hyderabad. I feel proud and privileged to be the part of this Magnificent Institution. At this juncture, I gratefully acknowledge the yeomen service rendered by the Visionary Predecessors, dedicated teachers and ever supporting parents who have worked selflessly and tirelessly to bring Institute Magazine 'MAGNUS'. I am pleased to acknowledge that our college lays its stress not just on academic excellence but also on "character formation with academic excellence".

### **CHIEF EDITOR'S MESSAGE**

It gives me great pleasure to bring you the Institute Magazine 'MAGNUS' of the year 2019-20. This issue offers a panoramic view of the academic, professional and cultural activities of the college. The name and fame of an institute depends on the caliber and achievements of the students and teachers. I would like to place on record my gratitude and heartfelt thanks to all those who have contributed to make this effort a success. I profusely thank the management for giving support and encouragement and a free hand in this endeavor.

The editorial team thanks all its patrons for their support for the magazine. On that note, I wish you all 'Bonne lecture'. I welcome suggestions from all our readers who wish to see their ideas incorporated in the subsequent issues. Please feel free to provide your feedback and send pertinent information with photos for inclusion in our forthcoming issues of MAGNUS, Annual Institute Magazine.

## Events Conducted

### 1. B.E 2019 ORIENTATION PROGRAM

DATE: 10.08.2019

Lords Institute of Engineering and Technology organized an orientation programme on 10th August, 2019. The Programme kick-started with Mudasir Ahmad Gori, Assistant Professor English presenting an overview about the Lords Institute of Engineering and Technology. Speaking on this occasion the honorable Principal Dr. Mohammed Yousuf Ali presented a welcome address and briefed about various achievements that students of lords have fetched so far. He also threw light on Mentorship of students where each faculty members supervised a group of 20 students, to track and improve their academic performance.

Vice-Principal Dr. Rajashree Rao emphasized on the will and determination of the students. She also stressed about the punctuality, regularity and explained examination pattern, and marks distribution. She assured students that they have made a good choice by selecting lords for their successful career. The orientation about the consultancies coordinating with the lords college was given by Prof and Dean Dr. Aneesuddin. Mrs.HK Sreedevi, The Human Resource (HR) spoke about the importance of the Education in contemporary society. Her focus was also on emphasis of methodology. Placement officer Ms. Shruti presented an overview of the placements, various packages offered by companies like Byjus and MSL etc. Director Dr. Altaf Hussain articulated his thoughts on the vision of Lords College.

The Dean, Science and Humanities Dr. J. Sasi Kiran emphasized on the parents role in taking responsibility of their wards. He also stressed on time management. Physical Director Mr. Habeeb khan presented a video showing the various sports achievements that the students of LIET have fetched. He highlighted the participation of our students at national and international level in sports arena.

The esteemed Vice Chairman, Syed Touseef Ahmed welcomed the students and parents and emphasized on the planning and implementation of four years of engineering to become successful future technocrats. He gave an overview on the placement selections. He briefed about alumni of Lords College. The conscientious Secretary Mrs. Rizwana Begum felicitated the first semester for being the first batch to be affiliated with reputed Osmania University. She enlightened about the umpteen committees aimed at addressing diverse student's issues and needs.

The illustrious Chairman Mr.C.A. Basha Mohiuddin thanked parents for choosing lords college. His focus was on discipline and stated that a well disciplined life is the secret of success. He advised parents to send their wards on time to college. Further the esteemed chairman hilighted on dress code, attendance, life insurance, transport, and innovative smart classrooms. Lastly, he emphasized on parental care which eventually help in the success of their children.

**B.E 2019 BATCH ORIENTATION PROGRAM**

Seated L to R: Dr. Mohammed Yosuf Ali, The Principal; Mrs. Rizwana Begum, The Honorable Secretary; Honorable Chairman Mr. C.A.Basha Mohiuddin; Mr. Touseef Ahmed, The Vice Chairman; Dr. Althaf Hussain, Director. LITE

1<sup>st</sup> Year B.E Students and their Parents Gathering in the occasion on 10<sup>th</sup> of August.

Invocation Song by Senior Students

A briefing on Orators Club by Prof. Nusrath Fatima, HOD-English

Felicitation to Honorable Secretary Madam by a Student

Honorable Secretary Madam Mrs. Rizwana Begum Addressing the Students and Parents

The Vice Chairman, Mr. Touseef Ahmed addressing the Future Technocrafts

The Director, Dr. S. Althaf Hussain breathing an Awareness on water, health & hygiene.

The Principal, Dr. Mohammed Yousof Ali welcoming the first batch of B.E Students

The Vice Principal & HOD-Mechanical Engineering Dr. Azam Pasha Quadri, highlighting the Projects

The Vice Principal-Admin Dr. Rajasree Rao emphasizing of 3 D's (Discipline, Determination & Dedication)

The Dean-Admissions & HOD-CSE Dr. Shaik Shavali addressing the gathering on Software Sector

The Dean - 1<sup>st</sup> Year emphasizing the Importance of Utilization of Resources providing by LIET

The Dean-Civil Engineering highlighting the achievements of CE including GHMC Project

The HOD-Civil Engineering addressing the gathering with his motivational speech

The HOD-IT, Dr. Nagi Reddy highlighting the growth and importance of IT sector globally

The HOD-EEE enumerating the achievements of EEE Dept. including the importance of Solar Plants

The HOD-Mathematics Prof. MD Irshad Ali talking about the importance of Mathematics in Engineering

Placements Officer, Mrs. Stuti spoke at length about recent trends in globally and LIET placements.

HR of LIET Mrs. E.K Sridevi briefed about rules and regulations of the institution & health insurance

Distributing the Academic Excellence Award to the Senior Student by the Honorable Chairman & VC

Award Winner Expressing the views of him and giving feedback about the environment in the LIET.

Distributing the Academic Excellence Award to the Senior Student by the Honorable Secretary

Physical Director, Mr. Habeeb Khan spoke about the facilities available for sports & games

Interaction Session with the Parents to some Senior Students, Faculties, Administrators and Management

Orientation Programme successfully completed with hygiene Food to all Students, Parents & Staff.

## 2. AICTE ONE WEEK INDUCTION PROGRAM as per AICTE TO 17-08-2019

Dates: 12.08.2019

The one week long induction programme had been conducted norms on on 12017 august 2019. The induction program started on time at 9.45 am. as scheduled earlier. The students after giving attendance assembled in Seminar Hall and attended the Departmental HOD's meeting. All the Departmental Heads spoke about the activities of their respective Departments, their achievements in the previous years, the career development, subject-wise credits, and attendance and other relevant issues. The information about the guidance & counseling cell activities and Campus placements were the highlights of the program. Followed by registration and the self-introduction of the students in the second session. A motivational lecture was conducted by Dean of B.E. first year Dr. J. Sasi Kiran and Mathematics HOD Mr. Irshad Ali.

Lords Institute of Engineering and Technology organized an essay and elocution competition on 14.08.2019, for first year students for all branches, wherein a large chunk of students participated in these two competitions. Students were excited to share their opinions on the given topics during election compelition Many students appreciated the move, stating this can bring out the inner potential of students. The program was aimed to increase the creative writing skills and the spoken part. It is fit to mention that the students were rewarded with prizes on the eve of Independence Day. The distribution of prizes was intended to encourage the best essay writers and best speakers, more so to convey a message to others that they can equally be the winners. Students urged such opportunities should be given frequently so that their academic growth improves with every passing day and year.

The opening ceremony of Orator's club by the Principal, Vice Principal, Dean - S&H and the faculty members. A PPT, through which the students were given complete information of the art of public speaking – Oratory skills and the activities that are held under that in the college. In the second session Games and sports were conducted in the large playground of the college which made the students chilled.

The Number of Activities were organized during the period viz., Registration, NSS, Essay Writing, Elocution, Orators club activities, Sports which include Cricket, Basket Ball etc and some indoor games & activities for girls.

### 3. THE 73<sup>rd</sup> INDEPENDENT DAY CELEBRATIONS 2019

DATE: 15.08.2019

The Independence Day was celebrated with great enthusiasm and patriotic fever on 15th August, 2019 in the college campus with the staff and students to mark the 73<sup>rd</sup> year of freedom from the British rule. The ceremony started at 10AM. On this special occasion, the program started with parade and flag hoisting by the Chairman, sir and all in unison sang the National Anthem and expressed the joy of our freedom.

The highlight of the program was the enactment of the Martial Arts from our Mechanical Students; Black Squad for 15 minutes. This was followed by a speech of our student Ms.Fatima, 1<sup>ST</sup> Year - CSE in English.

Then Principal Dr.Mohammed Yusuf Ali addressed the gathering and talked about the factors that are hampering the progress of our country. He advised first year students to take as a challenge and find appropriate solutions to the environmental degradation problems. Next, The Director Dr.S.Altaf Hussain emphasized the role of youth today as a true wealth of a country. Thereafter speeches were followed by secretary madam urging all the staff and students the value of time. The most awaited speech of the day was from Chairman, CA which was more appealing to his nationalistic spirit and urging them to take pride in being an Indian and fulfilling one's duty with responsibility. This speech awakened everyone's feelings towards the motherland India.

The prizes which were won by Students added cheer to the day. The winners for Elocution competition are Faraaz Razwi, Asfiya and Md. Faizan from 1<sup>st</sup> Year IT Branch. The winners for Essay writing are Rabab Fatima-IT, Fatima Khadar -1<sup>st</sup> Year CSE and Azeem Nur Mahamood from 1<sup>st</sup> Year Civil. The celebration ended with the vote of thanks from Ms. Tanveer Fatima, as a token of love, sweets were distributed.

It was a day of joy, a day to love and respect our country and make it a better place for Indians to live and enjoy the freedom, peace and unity in diversity.

#### 4. TEACHER'S DAY CELEBRATIONS

DATE: 05.09.2019

B.E First year students celebrated Teacher's Day on the occasion of the birth anniversary of Dr. Sarvepalli Radha Krishnan. It was organized in 4<sup>th</sup> floor seminar halls. Students actively participated in different programs they recall their memories and share their views about importance of 'Teacher' in their life, as the teachers have only the power to write on the minds of the students.

#### 5. ENGINEER'S DAY AND PROJECT EXPO

DATE: 15.09.2019

An Engineer's Day Celebration was organised by the Lords Institute of Engineering and Technology. The Programme was kick-started with Mudasir Ahmad Gori Assistant Professor from the Department of English inviting the dignitaries on to the stage. The honourable Head of Department of Physics Dr.Swarnalatha has presented a welcome note and enunciated the importance of the Engineer's day and gave a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya.

#### ENGINEER'S DAY AND PROJECT EXPO:

Speaking on the occasion The Principal Dr. Mohammed Yousuf Ali briefed about the importance of an Engineers in day to day life. The Esteemed Vice Chairman Syed Touseef Ahmed emphasised the significance of the programming languages and the others practical subjects which are the part of the Engineering course curriculum. He also announced the "Project of the month" competition where a cash prize of 10,000 is announced every month for the best idea given by the students. As part of the Engineer's Day celebrations in Lords Institute of Engineering and Technology has also organised the Physics Expo. The first year students of Bachelor of Engineering (B.E) from across all the departments actively participated in the Physics Expo and made it successful. The jury of experts judged the exhibits and announced a cash prize for the first three best projects of the exhibition. The winners of the first prize were Abdul Qadeer and his team from 1<sup>st</sup> year Civil department, the second prize winners were Abdul Raheem and Omer Musaddiq from the 1<sup>st</sup> year Mechanical department, and the third prize went to the Wali Mohammed Imran from 1<sup>st</sup> year Mechanical department. The programme was concluded with the vote of thanks given by the Assistant Professor from the Department of Physics Dr. Reetu Sharma.

## 6. INAUGURATION OF ENGINEERING GRAPHICS AND DESIGN LAB

DATE: 26.10.2019

The Engineering Graphics and Design lab was inaugurated by The Secretary madam, The Vice-Chairman and other delegates along with the parents of 1<sup>st</sup> Year on 28<sup>th</sup> of October 2019. All the B.E First year students with parents were also invited for the inauguration. This lab has the latest Auto-cad Digital software. It is structured according to the Osmania University standards and is specifically meant for the first year B.E. students.

## 7. FREE EYE CAMP (NSS ACTIVITY)

DATE: 02.11. 2019

During the first week in the month of November an activity of National Service Scheme (NSS) has organized a one day free Comprehensive Eye checkup camp in college campus, Room number 23 in Administrative Block, LIET More than 300 students and faculties of both teaching and non-teaching came to attend the camp for their eye-checkup.

Eminent Doctors and their assistants and other prominent eye specialists from Sure Vision, Lasik Centre, Mehdiapatnam, Hyderabad treated the patients. They provided spectacles and other medicines on the spot. It was a worth benefitting camp and the event was a grand success.

## 8. FRESHERS'S DAY CELEBRATIONS

DATE: 11.11.2019

A Fresher's Party celebration was organized by the Lords Institute of Engineering and Technology for B.E. 1<sup>st</sup> year 19<sup>th</sup> batch. The Auditorium was esthetically decorated by senior Students. The program commenced with an informal session where faculty and students both participated in the segments like singings, shayari, dumb charades, and dancing. The formal program was initiated by the first and senior year students with inviting the dignitaries on to the Dias.

Speaking on the occasion the honorable Vice Chairman Syed Touseef Ahmed emphasized about the students' participation in Curricular, Co-Curricular and Extra- Curricular activities. He congratulated students for their satisfactory performance in the first Mid-exams and asked to continue the good performance in future as well. Praising the Band 'Aatish' The VC sir has proposed to fund the band in their innovative future endeavors and requested to buy all the musical instruments needed. The illustrious Director Dr. Altaf Hussain encouraged the students to maintain the good academic performance throughout their course. The Esteemed Principal Dr. Mohammed Yousuf Ali asked the first year students to maintain friendly relations with seniors. The other conscientious Head of the Department also gave their brief opinion on the students' achievement and overall performance in the first Mid-examination. Finally, the informal sessions began and added glitz and glamour to the event and made it quite entertaining to all the audience present there.

**9. A SEMINAR ON INDIAN CONSTITUTION**

**DATE: 18.11.2019**

A Seminar Presentation on Indian Constitution was organized by the Lords Institute of Engineering and Technology. The esteemed guest speaker of the occasion was Mr. M.S.Naik, from TELTA Academy Vidyanagar in Hyderabad. He is an expert in the subject Indian Constitution. The audience comprised of the IT-A, IT-B, Mechanical, and ECE departments students of B.E first year. The guest gave a brief overview of all the units present in the Indian Constitution syllabus of B.E first year. Some of the Units which he focused were related to Indian Constitution, Fundamental rights, Fundamental duties. Directive Principles of State Policy, Difference between the union, state and local government of India, Relationship between the Centre and State Government, Election Commission of India, Emergency provisions, and list of important articles. It was a very interactive and informative lecture which gave the exhaustive outline of the innovative aspects concerned to the Indian constitution which enhanced the knowledge of all the students who attended the lecture.

**LORDS INSTITUTE OF ENGINEERING AND TECHNOLOGY**  
 Approved by AICTE, New Delhi | Affiliated to Osmania University, Hyderabad  
 Recognized by Govt. of Telangana | Accredited by NBA & NAAC 'A' Grade | Included in 2F of UGC

**DEPARTMENT OF SCIENCE AND HUMANITIES**  
 ORGANISING A GUEST LECTURE ON  
**"INDIAN CONSTITUTION"**  
 BY  
**MR. M.S. NAIK**  
 TELTA ACADEMY, VIDYA NAGAR, HYD.  
**FOR B.E. 1<sup>ST</sup> YEAR (IT-A, IT-B, ECE & MECH) STUDENTS**  
 On 18<sup>th</sup> November 2019, Monday.  
 At Seminar Hall, 2<sup>nd</sup> Floor, LIET.

## 10. ONE WEEK AWARENESS PROGRAMME ON ENVIRONMENTAL SCIENCE [NOVEMBER 2019]

A Guest Lecture on Environmental Science was organized by the Lords Institute of Engineering and Technology. The guest speakers of the occasion were Dr. Subramanyam Bharati, Civil HOD, Dr. Anisuddin, Ms. Ekasheela, Abdur Rahman, and Zubair from Lords Institute of Engineering and Technology, Hyderabad. The Guest lecturers were conducted for five days in the CSE Seminar hall 4<sup>th</sup> Floor. The audience comprised of the CSE A, B, C, Civil A, B, and EEE department's students of B.E first year. The guests gave a brief overview of all the units present in the Environmental Science Syllabus of B.E first year. Some of the Units which they focused were on Natural Resources, Ecosystems, Biodiversity, Environmental Pollution, Environment Protection Act, and Social Issues and Environment. It was a very interactive and informative lecture which gave the complete outline of the innovative concepts concerned to the Environmental Science which enhanced the knowledge of all the students who attended the lecture.

## 11. RELEASING AND DISTRIBUTION OF SYLLABUS COPIES

DATE: 30.11.2019

## 12. AWARENESS PROGRAMME ON NPTEL SWAYAM ONLINE COURSES AND ITS BENIFITS

DATE: 25.10.19

National Program for Technology Enhanced Learning (NPTEL) is an initiative by Seven Indian Institutes of Technology (IIT Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) and Indian Institute of Science (IISc) for creating course contents in Engineering and Science. NPTEL as a project originated from many deliberations between IITs, Indian Institutes of Management (IIMs) and Carnegie Mellon University (CMU) during the years 1999-2003. Contents for the above courses were based on the model curriculum suggested by All India Council for Technical Education (AICTE) and the syllabi of major affiliating Universities in India.

A NPTEL meeting was conducted by Principal Dr. Mohammed Yousuf Ali and NPTEL Central coordinator Mr. Abdul Raees in the S & H department of Lords Institute of Engineering and Technology, on 25<sup>th</sup> October 2019. All the faculties of the department attended the meeting and discussed about the Registration process of the NPTEL courses. The registration and completion of one course for each semester is mandatory by the AICTE.

**13. FREE HEALTH CHECK-UP CAMP (NSS ACTIVITY)**

**DATE: 07.01. 2020**

NSS Unit of the Lords Institute of Engineering and Technology organized a free health check-up camp as part National Service Scheme (NSS) on 07-01-2020 the Tuesday. This camp was sponsored by Vijaya Diagnostic Centre which is India’s largest comprehensive diagnostic network. The Parameters on which the health check-up was done were Blood pressure, Random blood sugar (RBS), Heart rate, Oxygen saturation (Spo2), Body fat%, Muscle mass, Bone mass index (BMI), DCI/BMR, Metabolic age, Body water%, and Visceral fat. It was done only for the people who were above 30 years of age. The health camp was great success as all the staff members, teaching and non-teaching faculties actively took part in the camp. More than 200 staff members and PG students were participated. The College Chairman C.A. Basha Mohiuddin appreciated the team of NSS for successful conduction of this event.

میں نے 7 جنوری (پہلے شنبات) لارڈس انسٹی ٹیوٹ آف انجینئرنگ اینڈ ٹیکنالوجی میں منعقد کیا گیا تھا۔ اس کے مشورے سے کالج کیپس میں مقررہ 7 جنوری کو صحت چیک اپ کیے جانے والے تھے۔ اس کیپ میں بلڈ شوگر، بی بی، ہارٹ ریٹ، اسپو 2، بڈی فٹ، میس، بونے ماس انڈیکس (BMI)، DCI/BMR، میٹابولک ایج، بڈی واٹر، ویسیرل فٹ کے 30 سے زائد پیرامیٹرز چیک کیے گئے۔ اس کیپ سے ہر سال کے 200 سے زائد افراد کو صحت چیک اپ کے اعزاز پر لارڈس انسٹی ٹیوٹ آف انجینئرنگ اینڈ ٹیکنالوجی میں شکر ادا کیا گیا۔

**14. R.O DRINKING WATER PLANT INAUGURATION**

**DATE: 11.01. 2020**

Department of Science and Humanities of LIET inaugurated R.O (Reverse Osmosis) Water Purification System on 11-01-2020 in association with Eureka Forbes by Honorable Chief Guest Secretary Mrs. Rizwana Begum along with Principal, Vice Principal, Dean of first year, HODs, Staff and Students. On this Occasion the dignitaries highlighted water especially ‘safe drinking water’ and advised the students to refrain from wasting, as every drop of eater counts & is precious.

**15. KITE FESTIVAL**

**DATE: 24.01. 2020**

On occasion of Sankranti, the festival of harvest season, Lords Institute of Engineering and Technology celebrated the Kite Fest with great joy and high-spirited environment. Nearly 100 students of I year B.E participated enthusiastically by flying kites. The sky was filled with the kites in variety of shapes, sizes and hues. The audience were spell-bound watching this spectacular show of the Kite Fest wherein an atmosphere of fun and excitement was created among the students.

## 16. REPUBLIC DAY CELEBRATIONS

DATE:26.01. 2020

Lords Institute of Engineering and Technology celebrated the 71st Republic Day with great pride and patriotism on 26 January, 2020. The ceremony began with the hoisting of the tricolor flag, the pride of our Nation by the honorable Chairman Mr. CA Basha Moinuddin sir along with Secretary madam and Vice-Chairman sir. This was followed by the rendition of the National Anthem by the dignitaries and the august gathering and followed by speeches. The management honoured and recognised the extra efforts taken by the faculty in various disciplines.

Dr.Sasikiran,Dean I year addressed the gathering emphasising on the importance of Republic Day and how one has to inculcate good behaviour in order to be the better citizens of the Nation. He also appreciated the efforts of the faculty in the Department of S&H who have extended their service for the betterment of the department.

"You Grow, We Grow" was the tag line given by Vice-Chairman Mr.Touseef Ahmed sir urging the faculty to be more serious, dedicated and contribute individually to the Institution which in turn will be a contribution to the Nation. Talking about NPTEL courses, he emphasised the need of doing such courses to improve each and every individual to upgrade themselves and move to the higher level.

Quoting the example of Lahore where Republic Day was celebrated with great fervour for the first time, Mrs.Rizwana Begum madam, Secretary, LIET said that it was the festival of Nation. She also announced that 13 faculty members will be felicitated for their strenuous efforts in various fields.

The Chairman, Mr. C.A. Basha Moinuddin sir spoke on the oneness of the Constitution wherein the interests, race, environment, habits and lingual differed yet everyone were treated equally by the Constitution. India is a country of diverse language, heritage, culture and the framing of the Constitution is done keeping in mind the interest of an individual in the upper strata to that of a common man who belongs to the lower strata of the community, he said.

He also added that the benefits and advantages written in the constitution was percolated even to the last man. Despite all these we witness many people who are facing poverty and around 10,000 villages which lack proper roads and schools.

He also urged the faculty to ponder oneself as to what is our contribution to the country. Some may contribute in the form of wealth, others through knowledge and character. Quoting the example of Dr.A.P.J. Abdul Kalam who after his retirement as President of India served the Nation as Professor in Anna University, he highlighted that the teachers' profession is the God's profession and hence it is the job of the teachers to inculcate a sense of belonging in the young minds of the students. He said that whenever we think of Gandhiji we think about India and when we think of India it is attributed to Gandhiji.

He also cautioned that one should not spoil the name of the country, both in India as well as in other countries and explained this by telling about the honeybees. Like how the Queen kills the bees which gather bad nectar that spoils the enter honey, similarly one should avoid people who bring bad name to the country. He also appreciated the flawless contribution of Japan in its development.

The event geared for the next stage that is Prize Distribution. The management honoured and recognised the extra efforts taken by the faculty in various disciplines.

The gathering was spellbound by the enormous generosity extended by the management to Mr. Mohit Tomar working in the administrative office who was presented a cheque of Rs.15000 for his medical emergency.

The programme came to end by the vote of thanks proposed by Syeda Nusrath Fathima, HOD,Dept. of English. She showed her gratitude towards the management who gave rewards to encourage and appreciate the hard work of the faculty.

All good things must come to an end, and so the programme was wrapped up with a melodious, breath-taking rendition of Kuch Toh Log Kahenge.... by Mr.Syed Aslam sir.

## Students Activities and Achievements
