IDP Education India Pvt Ltd, represented by Mr GPraveen Kumar, authorized representative of the organization<sup>1</sup>.

AND

Lords Institute of Engineering and Technology is represented by Mr Hafeez Basha, authorized representative of the organization<sup>2</sup>.

IDP India & Lords Institute of Engineering and Technology are hereafter referred to individually as "Party" and collectively as "Parties".

## 1. PREAMBLE

IDP India helps international students gain admission to various Education institutions in the main English-speaking countries through its various offices and offers Services that include personalized course advice, course application submission and pre-departure guidance.

Lords Institute of Engineering and Technology College is a leading Educational organization that has shown readiness to collaborate with IDP India for promoting the overseas studies & to provide all required infrastructure & facilities for running & conducting the various Seminars/ Events from time to time throughout the whole academic year as and when required.

NOW THEREFORE in consideration of the foregoing & mutual covenants and promises contained herein the Parties agree as follows:

1. It is agreed between the parties that IDP India & Lords Institute of Engineering and Technology shall work together on a non-exclusive basis for the purpose mentioned above.

2. Role & responsibilities of each party will be as under:

### Role & Responsibilities of IDP India:

- Conducting mini education fair once a year where best of US, UK, New Zealand, Ireland, Canada and Australia Universities/institutes representatives will participate subject to their availability.
- Conducting various Seminars pertaining to advantages of Overseas Studies.
- Inviting students designated by Lords Institute of Engineering and Technology to all education fairs anywhere in Hyderabad.
- Inviting students designated by Lords Institute of Engineering and Technology for all relevant value-added activities being conducted through IDP India at its Hyderabad Office.
- Providing promotional creatives/posters to Lords Institute of Engineering and Technology to the best of its abilities to use as collaterals for various events.

### Role & Responsibilities of Lords Institute of Engineering and Technology:

- Allow students of Lords Institute of Engineering and Technology to attend the various events/Seminars organized by IDP India.
- To render all required support to IDP India in conducting events Non-financial in nature.
- To arrange & provide required infrastructure & facilities like:
- Permission to post IDP India event posters in school & hostel premises.
- Dedicated notice board / space in common notice board in college & hostel premises.
- Permission for using classroom/ Seminar hall (typically 1-2 times a semester during post-school hours for conducting Events/ Seminar/ one to one session) (Depending upon availability in school) \*. The school reserves the right to grant the permission for entry in the auditorium and school premises exclusively (the school whose premises will be used)
- Permission to use auditorium (typically 3-4 times a year for large scale programs) based on the required approval from the Lords Institute of Engineering and Technology authorities.
- Provide LCD Projector (if possible).
- Tables & Chairs.
- Lords Institute of Engineering and Technology will not bear any financial liability for conducting any of these programs.

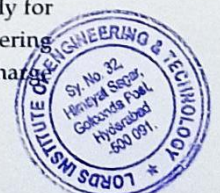

All programs conducted by IDP should be exclusively for only students designated by Lords Institute of Engineering and Technology.

3. **Term of MOU:** This MOU comes into force from the day of signing by the last party. The term of this MOU one (1) year from the last party signing hereof. Either party may terminate this MOU by giving thirty (30) days prior written notice to the other party.

#### 4. Relationship Between the Parties

This MOU does not deem to establish a permanent relationship between the parties except to the terms of this contract.

Also, this MOU is non-commercial in nature and entered between the said parties purely for Academic purposes benefitting the Students as designated by Lords Institute of Engineering and Technology Pro. It is mutually agreed between both the parties that they will not charge

the Students any form of fees, service charges, etc for offering their services and support to the Students.

Lords Institute of Engineering and Technology shall not directly or indirectly involve itself in any student counselling activity in respect of recommending and/or canvassing any foreign University/Institution to the Students, Parents and Guardian

5. Limitation of liability:

Neither party shall be liable for any special, indirect, incidental, punitive, contingent nor consequential loss or damages suffered out of or in connection with the aforesaid MOU whether as a result of a breach of this MOU or otherwise.

6. Dispute Resolution:

The parties recognize that a bona fide dispute as to certain matters may from time to time arise during the term of this MOU, which relates to either Party's rights or obligations hereunder. In the event of the occurrence of such dispute, either Party may, by written notice to other Party, have such dispute referred jointly to the authorized representatives of the Parties, or their successors or counterparts, for resolution by good faith negotiations within 15 days after such notice is received in respect of such dispute.

Any party will not sue any concerned or will be sued in any Court of Law for being unable to provide any of the activity, due to any unforeseen circumstances.

All aspects where the above articles of understanding are silent or for special cases of deviation or in case of any dispute arising out of MOU, all such disputes will be resolved mutually and amicably by mutual consultations.

IN WITNESS WHEREOF, the Parties hereto, each acting under due & proper authority have executed this MOU as of the date written above.
