Chairman's Message

Lords is leveraging its expertise and capability to nurture the Institute as one of the best in the region. The whole idea is to facilitate learning through initiating, exploring and experimenting in a conducive environment. Lords was founded with a mission to promote excellence in the field of technical education and to provide quality training. Our campus is a rare blend of serene environment, well equipped infrastructure and a faculty enriched with technical knowledge. We Strive to give professional education a new perspective and Achieve perfection in all spheres. This gratifying ambience will nurture our students to be passionate about learning and to explore new realms of wisdom.

My solemn hope and earnest wish is that our diligent students bring honour and glory to our Institution and be worthy citizens of our country. Let your days at LORDS be highly rewarding!

Basha Mohiuddin

Chartered Accountant

Principal's Message

Our college has grown abundantly in the recent past. It continues to sustain its growth. People reading this newsletter will realize the tremendous changes that are happening in the campus. The newsletter is presenting a glimpse of the growth of the institution on many fronts. The highly qualified and dedicated members of the staff have always stood shoulder to shoulder with the management and have carried out their duties with high level of commitment. This newsletter has recorded achievements such as conferences attended by staff members and students, competitions won by the hugely talented students, innovative projects carried out by students with the guidance of faculties, among others. Let's give our best and make this institution a modern sanctuary of learning through our diligence, devotion and dedication.

Dr.C.Venkata Narasimhulu

B.Tech., M.Tech., Ph.D. SMIEEE,
FIETE, LMISTE, MIE

HOD's Message

Our college has grown abundantly in the recent past. It continues to sustain its growth. People reading this newsletter will realize the tremendous changes that are happening in the campus. The newsletter is presenting a glimpse of the growth of the institution on many fronts. The highly qualified and dedicated members of the staff have always stood shoulder to shoulder with the management and have carried out their duties with high level of commitment. This newsletter has recorded achievements such as conferences attended by staff members and students, competitions won by the hugely talented students, innovative projects carried out by students with the guidance of faculties, among others.

Dr. Shaikh Khaleel Ahmad

B.Tech., M.Tech., Ph.D.

Vision & Mission

Vision of the Institute:

Lords Institute of Engineering and Technology strives continuously for excellence in professional education through quality, innovation and teamwork and to emerge as a premier institute in the state and across the nation.

Mission of the Institute:

- ◆ To contribute to advancement of knowledge, in both fundamental and applied areas of engineering and technology.
- ◆ To provide a scholarly and vibrant learning environment that enables faculty, staff and students to achieve personal and professional growth.
- ◆ To strive for student achievement and success, preparing them for life, career and leadership.
- ◆ To impart quality professional education that meets the needs of present and emerging technological world.

Vision of the Department:

To obtain high quality standards in education by utilizing cutting-edge technology, build an ecosystem that will contribute meaningfully to society by producing world Class Engineers in Data Science field.

Mission of the Department:

- ◆ Provide intense training to generate knowledge using Data Science.
- ◆ Encourage the formation of academic-industry collaborations and societal outreach projects.
- ◆ Educate students to take part fully and ethically in a varied society while also encouraging lifelong learning.

EVENTS

WASTE MANAGEMENT EXHIBITION

Waste management exhibition was conducted by our college on 3rd March 2022 and it was very productive as many of the students came up with many great and innovative ideas, It was more creative and innovative when our beloved faculties also helped.

you don't deserve to be
successful**

EVENTS

2-DAY WORKSHOP ON DATA SCIENCE AND ITS APPLICATIONS

The Seminar Started by 11.00 a.m. The Resource person Mr. Siddarth started with his lecture by explaining the necessary of coding for Data Science students. Resource leads the session with examples to explain about the usages. Demonstration was given to the students regarding the method to use the each coding programs. Also the support mechanism from the code tantra was explained by the resource. Finally the discussion was made with the students. Output of the Seminar: Students said that they got the knowledge of necessary of coding environment.
