Principal's Message

Our college has grown abundantly in the recent past. It continues to sustain its growth. People reading this newsletter will realize the tremendous changes that are happening in the campus. The newsletter is presenting a glimpse of the growth of the institution on many fronts. The highly qualified and dedicated members of the staff have always stood shoulder to shoulder with the management and have carried out their duties with high level of commitment. This newsletter has recorded achievements such as conferences attended by staff members and students, competitions won by the hugely talented students, innovative projects carried out by students with the guidance of faculties, among others.

Let's give our best and make this institution a modern sanctuary of learning through our diligence, devotion and dedication. I congratulate all the contributors and the editorial board for bringing out such a beautiful newsletter.

Dr. C Venkata Narasimhulu

HOD's Message

Greetings !

The Department of CSE-DS at Lords Institute of Engineering and Technology, Hy-derabad is located in a sprawling environment with a state of art facilities and highly qualified and experienced faculty. The Department always believes in outcomes based education and also develops critical thinking, analysing skills and inculcates research among the learners.

The teaching learning process in the department is facilitated to empower and provide all the required support to students and the staff where each and every individual can step towards building the career and enhancing their knowledge, at the same time the students will be ready to face any challenges to achieve their goals.

The department also encourages each and every learner through a Mentor-Mentee Scheme where students are emphasized for good academics, placements, to involve in active learning by using the NPTEL lectures & videos, involving in technical events outbound activities, certification courses, curricular & co-curricular activities, sports and to take professional body membership apart from the regular syllabi. The faculty members are encouraged to publish research papers in reputed journals, participate in Faculty achievements and publishes its all activities by bi-annual magazine 'DIGITAL BRAINS'. It gives me immense pleasure to lead the department of CSE-DS.

Dr. L. K. Indumathi

Professor & HOD

Vision & Mission

Vision of the Institute:

Lords Institute of Engineering and Technology strives continuously for excellence in professional education through quality, innovation and teamwork and to emerge as a premier institute in the state and across the nation.

Mission of the Institute:

- ◆ To contribute to advancement of knowledge, in both fundamental and applied areas of engineering and technology.
- ◆ To provide a scholarly and vibrant learning environment that enables faculty, staff and students to achieve personal and professional growth.
- ◆ To strive for student achievement and success, preparing them for life, career and leadership.
- ◆ To impart quality professional education that meets the needs of present and emerging technological world.

Vision of the Department:

To obtain high quality standards in education by utilizing cutting-edge technology, build an ecosystem that will contribute meaningfully to society by producing world Class Engineers in Data Science field.

Mission of the Department:

- ◆ Provide intense training to generate knowledge using Data Science.
- ◆ Encourage the formation of academic-industry collaborations and societal outreach projects.
- ◆ Educate students to take part fully and ethically in a varied society while also encouraging lifelong learning.

EVENTS

BLOOD DONATION CAMP

Blood Donation camp was conducted on 30/03/2022 for Thalesemmia patients. It was organized by National Service Scheme with the Assotiation of Thalassemmia and Sickle Cell Society at Lords College Campus. More than 100 students participated in donating blood.

Students of Data Science actively participated in donating blood for a human cause which is a good sign of helping.
