## HOD's Message

Lords Institute of Engineering and Technology has grown abundantly in the recent past. It continues to sustain its growth. People reading this newsletter will realize the tremendous changes that are happening in the campus. The newsletter is presenting a glimpse of the growth of the institution on many fronts. The highly qualified and dedicated members of the faculty have always stood shoulder to shoulder with the management and have carried out their dues with high level of commitment. This newsletter has recorded achievements such as conferences attended by faculty members and students, competitions won by the highly talented students, innovative projects carried out by students with the guidance of faculties, among others.

**Dr. Moksud Alam**  
**Mallik B.Tech, M.Tech,**  
**PhD**

**Associate Professor,**  
**HOD of CSE-DS**

## Vision & Mission

### Vision of the Department:

To develop the world's next generation Data Scientist by offering top-notch engineering education with cutting edge technologies.

### Mission of the Department:

**DM1:** Providing students to understand the principles of Data Science with hands-on experience.

**DM2:** Offering students to analyze the data through effective teaching learning methods and cutting edge technologies in multi disciplinary fields.

**DM3:** Preparing students for R&D, Industrial design, entrepreneurship and employment.

**DM4:** Encouraging students with interaction and industry Institute partnership through various organizations.

**Note: DM:** Department Mission.

## PEOs

### B.E. Computer Science and Engineering (Data Science) Program Educational Objectives (PEOs):

**PEO1:** Students will have strong foundations in Basic Sciences, Mathematics, Statistics, Computer Science and allied engineering.

**PEO2:** Students will develop data science applications at advanced level for employability in IT industry especially in niche technologies.

**PEO3:** Students will be provided with strong foundation in Data Science and its applications for their carrier as Data scientist/Data Engineers.

# Innovating the Maze of Knowledge: Research Provision

## NPTEL-AICTE Faculty Development Programme

(Funded by the MoE, Govt. of India)

This certificate is awarded to  
**SHAIK YASAR AHMED**  
for successfully completing the course  
**Data Mining**  
with a consolidated score of **60 %**

Prof. Andrew Thangaraj  
NPTEL Coordinator  
IIT Madras

(Jan-Mar 2023)

Roll No: NPTEL23CS43S34724775

Duration of NPTEL course : 8 Weeks

The candidate has studied the above course through MOOCs mode, has submitted online assignments and passed proctored exams. This certificate is therefore acceptable for promotions under CAS as per AICTE notifications dated 24<sup>th</sup> July 2018, similar to other refresher / orientation courses.  
F.No. AICTE / RIFD / FDP through MOOCs / 2017-18

# Faculty Achievement

*"Your Journey, Your Success: A Certificate to Remember."*

# Faculty Achievement

*"Shaping Tomorrow's Leaders, One Certificate at a Time."*

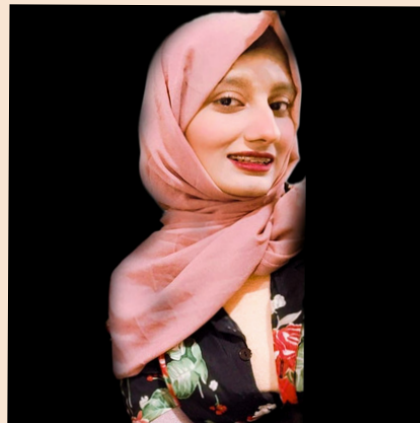

# Student Achievement

The achievements of CSE-DS students within GDSC are like pearls in an oyster

**A journey of a thousand miles begins with a single step:**

Congratulations to Syed Miran Hussain, a Computer Science Department student with a specialization in Data Science, who has assumed the role of leader for the Google Developer Student Clubs at our college. He is the inaugural individual to initiate and guide this club at our institution. These clubs are integral components of a vast global network, encompassing more than 100 countries and involving 2000 colleges. Securing this position was a formidable achievement, as he had to successfully navigate through three rigorous interviews to earn it.

Congratulations to Yasmin Saniya, a third-year student majoring in Data Science within the Computer Science Department, who currently holds the esteemed position of the primary graphic designer for Google Developer Student Clubs. She is the creative genius behind all the captivating designs and artistic innovations. Yasmin Saniya excels as a visionary leader in graphic design and as a programming virtuoso in the realm of Deep Learning. Her recent groundbreaking projects, demonstrating her expertise in both design and cutting-edge technology, have earned her widespread recognition and you can find them on her GitHub. Moreover, she possesses exceptional communication skills and stands out as an all-around luminary in her domain, truly epitomizing versatile talent.

Congratulations to Shagufta Farhat, a student in the Computer Science and Data Science Department, who has taken on the role of management lead at Google Developer Student Clubs (DSC). She handles event coordination and RSVPs efficiently while also demonstrating strong public speaking skills. Her adeptness at effective management and her commendable communication abilities contribute significantly to the team. In addition to her duties, she has also completed several data science courses on Coursera.

# Data science with Cloud Computing

(A two Day National level workshop) (Day-1)

Unleashing the Power of Data Science with Cloud Computing: A Workshop for the Future Innovators

**LORDS INSTITUTE OF ENGINEERING AND TECHNOLOGY**  
AN AUTONOMOUS INSTITUTION

A Two Day National Level Workshop on  
**"Data Science with Cloud Computing"**  
in association with NCR Corporation.

Organised By  
**Department of CSE-Data Science**

Convenor:  
**Dr. M. Alam Mallik**  
(HOD, CSE-Data Science)

Co-ordinator:  
**Mr. Syed Mushtaq Ali**  
(Assistant Professor, CSE-Data Science)

Spokes Person :

1. Mr. Abdul Rab  
(Software Engineer @NCR Corporation)
2. Mr. Shaik Yasar Ahmed  
(Assistant Professor, CSE-Data Science)

From 9th/03/2023 To 10th/03/2023  
Venue: CSE Seminar Hall 2nd Floor

**Data Visionaries, Meet Our Anchors**

**Dr.C. Venkata Marasimhulu Sir and Mr. Syed Mushtaq Ali Sir presenting bouquet to Mr. Abdul Rab Sir (spokes Person)**

**Dr. C.Venkata Narasimhulu Sir (Former Principal) giving Inspiring Speech at cloud computing Workshop**

**Dr. Moksud Alam Mallik Sir's Visionary Speech at Cloud computing workshop**

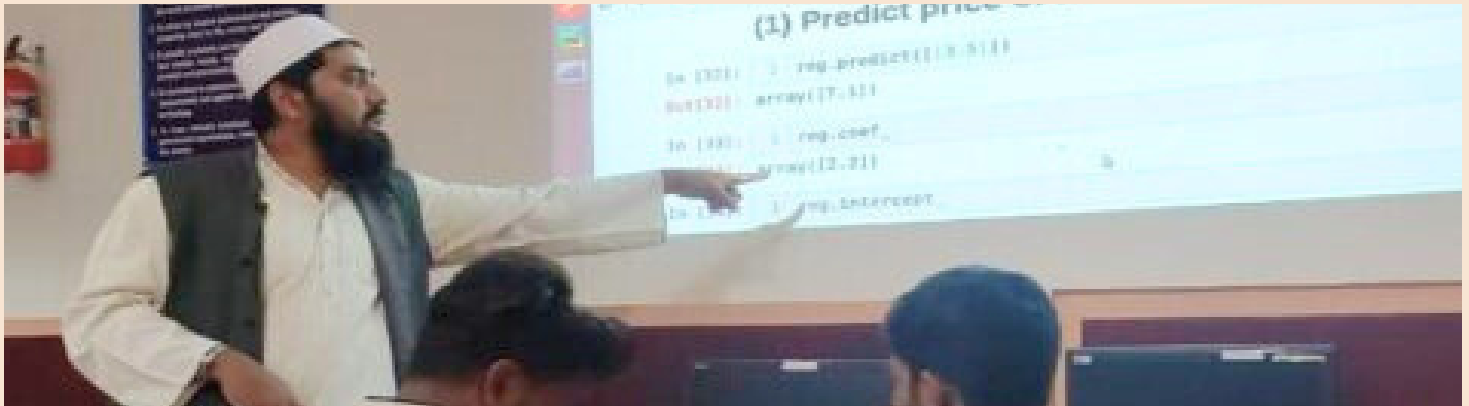

**Cloud Visionary: Mr. Abdul Rab Sir Inspires with his Captivating Speech on Day 1 of the Cloud Computing Workshop**

**Dr. Sunil Kumar Sir and Dr. Moksud Alam Mallik Sir honoring the spokes person Mr. Abdul Rab Sir**

on 9th of March @ 1st floor CSE seminar hall The two-day Cloud Computing Workshop Day-1 proved to be a transformative experience, captivating students provided by Mr. Abdul Rab Sir with his in-depth exploration of cloud technologies Throughout the workshop, expert speaker Mr. Abdul Rab Sir shared his knowledge, guiding attendees through a myriad of cloud-related topics, from the fundamentals of cloud architecture to advanced applications and best practices. Hands-on labs and interactive sessions allowed participants to gain practical experience, fostering a deeper understanding of cloud services and their potential in solving real-world challenges.

## Data science with Cloud Computing Workshop (Day-2)

**Clouds of Knowledge: Mr. Shaik Yaser Sir's Expertise in Data Science Workshop**

**Dr. C. Venkata Narasimhulu Sir (Former Principal)'s Presence and Observation in Data Science with Cloud Computing Workshop**

on 10th of March @ 1st floor lab two-day national level workshop on Data Science with cloud computing in association with NCR corporation, Mr. Shaik Yaser Sir took center stage as the esteemed spokesperson. Held in the engaging lab environment, participants were enthralled by Mr. Shaik Yaser Sir's expertise in the field. From cutting-edge techniques to real-world applications, his captivating insights left a lasting impression. The workshop was a resounding success, empowering attendees with invaluable knowledge and inspiring them to embrace the limitless possibilities of Data Science. With Mr. Shaik Yaser Sir's guidance, participants delved into the world of data-driven innovation, honing their skills and gaining a competitive edge. Together, they embarked on a transformative journey, unlocking the potential of Data Science to shape a brighter future.

**Bridging Theory and Practice: Students Excel in Data Science and Cloud Computing Workshop**

# 5 Days Training Program on Full Stack Software Development using Django

DAY-1

Unlocking the Power of Full Stack Software Development: Django Training for the Future Innovators

**LORDS INSTITUTE OF ENGINEERING AND TECHNOLOGY**  
AN AUTONOMOUS INSTITUTION

A Short Term Training Program on  
"Full Stack Software Development using Django"

Organised By  
**Department of CSE-Data Science**

Spokes Person :  
**Mr. Shaikh Mahbub Abbas**  
(An IIT Kharagpur alumni, Corporate Trainer on Accenture, L&T and Wipro.)

Convenor: **Dr. M. Alam Mallik** (HOD, CSE-Data Science)  
Co-Convenor: **Mr. Feroz Amer** (Associate Professor, CSE-Data Science)  
Co-ordinator: **Mr. Syed Mushtaq Ali** (Assistant Professor, CSE-Data Science)

Date: From 14/03/2023 To 22/03/2023  
Venue: Seminar Hall & lab, 222 A, 2nd Floor.

Guiding the Journey: Meet Our Anchors for Full Stack Software Development using Django Training

Empowering Excellence: Mr. Shaikh Mahbub Abbas Sir, the Voice of Full Stack Software Development Training Program

Dr. C. Venkata Narasimhulu Sir (Former Principal) giving Inspiring Speech at Full Stack Software Development using Django training Program

On 14th of March @ 1st Floor seminar hall & lab 222A, 2nd Floor, On the first day of the training, following the opening ceremony, the students were introduced to Django, an advanced Python web framework renowned for its efficiency in web development. Through engaging sessions, students discovered the Model-View-Template (MVT) architectural pattern that Django follows, empowering them with a robust foundation for building web applications. Practical aspects were emphasized as the attendees learned to set up VS Code, a popular code editor, and seamlessly install Django using pip, the Python package installer. Step-by-step guidance enabled them to create a new Django project and app. To assess their comprehension, students were tasked with building a simple Django app that displayed a "Hello, World!" message on a web page. The day concluded with an insightful discussion on linking views and URLs, enriching their understanding of Django's powerful capabilities.

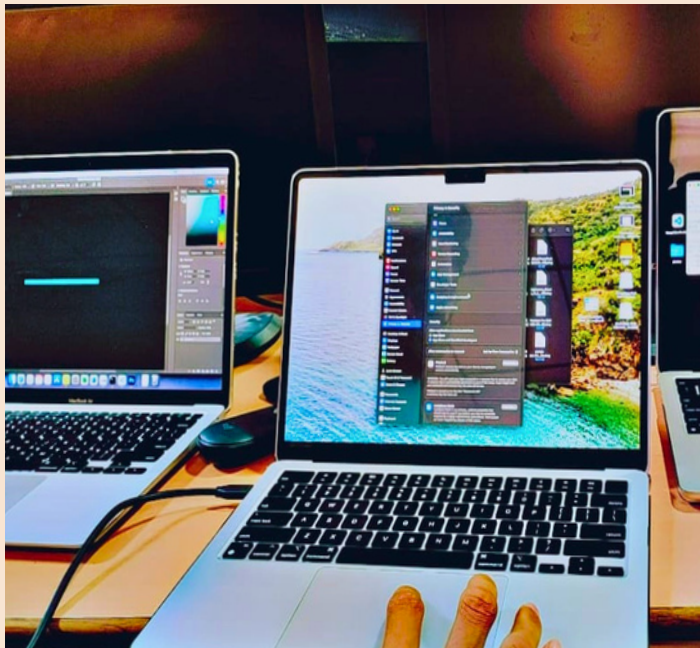

Dr. C. Venkata Narasimhulu Sir and Mr. Syed Mushtaq Ali Sir presenting a bouquet to Mr. Shaikh Mahbub Abbas Sir

5 Days Training Program on Full Stack Software Development using Django  
**DAY-2**

Django's Magic: Full Stack Software Development Training

**Focused and Engaged: Students Embrace Full Stack Software Development using Django in the Lab Training**

**The Gateway to Full Stack Software Development using Django - Laptop in the Lab**

on 15th of March @ 2nd floor lab 222A, On Day 2 of the training, the students delved into the distinction between static and dynamic websites. They learned that static websites present the same content to all users without interactive features or real-time modifications, while dynamic websites can adapt content based on user interactions and offer real-time modifications. A comprehensive overview of HTML, the standard markup language for web pages, followed. Participants grasped the fundamentals of HTML, including tags, attributes, and elements to create headings, paragraphs, images, links, and more. The hands-on portion involved creating a static website using provided templates, allowing them to customize web pages with their content and design. This practical experience solidified their understanding of HTML and its practical applications.

**Students Embrace their Coding Odyssey in the Full Stack Software Development Lab with Django Training**

# 5 Days Training Program on Full Stack Software Development using Django DAY-3

Empowering Developers: Full Stack Django Training

**Focused and Engaged: Students Observe Lab Practical in Full Stack Software Development using Django Training**

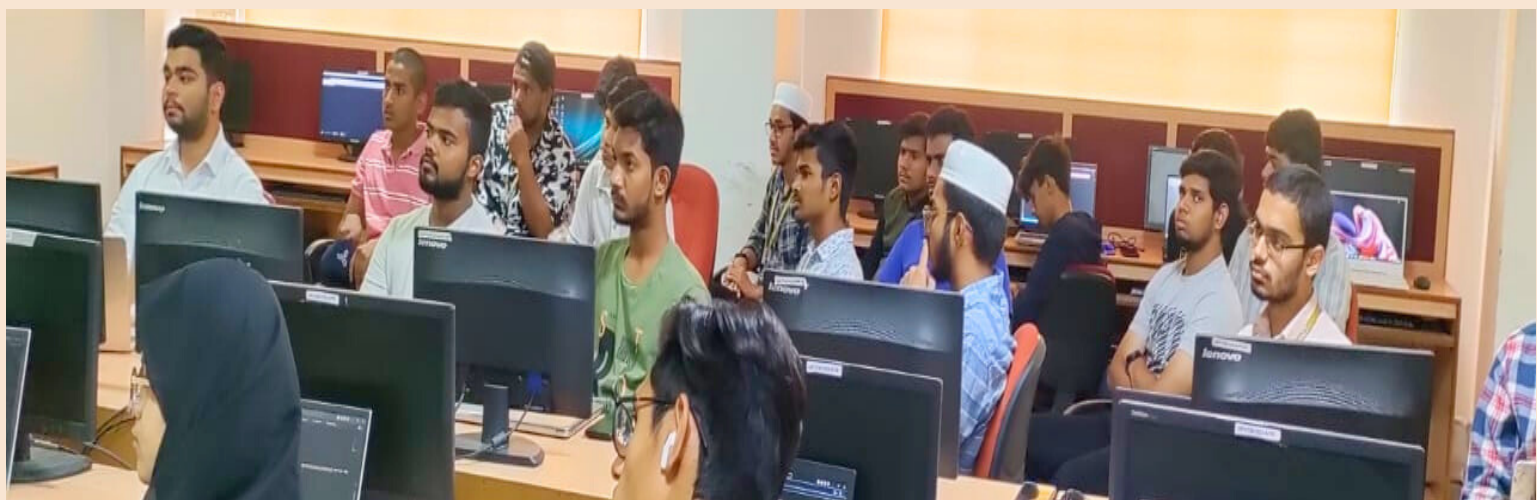

**Coding Creators: Students Unleash the Full Stack Power on their Laptops in Django Training**

**Mastering the Stack: Mr. Shaik Mahbub Abbas Sir Inspires in the Full Stack Software Development Lab with Django Training**

on 16th of March @ 2nd floor lab 222A, On Day 3 of the workshop, the students delved into Cascading Style Sheets (CSS) and its significance in web design. CSS, a style sheet language, plays a crucial role in presenting HTML or XML documents by defining styles for elements such as fonts, colors, and layout. They learned how to leverage CSS to create appealing lists and forms in web development. Students gained insights on applying styles to unordered and ordered lists and customizing form elements like buttons, input fields, and checkboxes. Moreover, they explored the concept of external style sheets, which separate common website elements for easier maintenance and organization of styles. The day culminated with an introduction to SQLite, a lightweight relational database management system. By working with DB Browser, a visual tool, participants learned how to create databases, tables, and insert data using SQL commands.

**Hands-On Education: Students Learn by Observing and Participating in Django Training**

## 5 Days Training Program on Full Stack Software Development using Django

Breaking Boundaries: Full Stack Software Development with Django

### DAY-4

**Empowering Web Aesthetics: Students Learn CSS Frameworks in Full Stack Development**

**Coding at its Finest: Students Apply Django Training to Realize Web Applications**

on 17th of March @ 2nd floor lab 222A, During Day 4 of the program, students received comprehensive guidance on enhancing the visual design of their websites by leveraging Bootstrap styling, a popular CSS framework. Bootstrap provided pre-designed styles and templates for various components, empowering attendees to easily apply stylish elements like forms, buttons, and navigation menus.

Furthermore, they were introduced to JavaScript for implementing list functionality and item deletion. By creating a model for students with properties such as name, age, and address, participants learned how to retrieve and display all the records as a list on the web page. As the session concluded, attendees gained practical proficiency in utilizing Bootstrap styling to enhance their websites' aesthetics and implementing list functionality using JavaScript for a more interactive user experience.

**Students Collaborate and Learn in the Django Training Lab**

**Code in Action: Laptops Demonstrate Full Stack Software Development Apps**

5 Days Training Program on Full Stack Software Development using Django  
**DAY-5**

Code, Create, Conquer: Full Stack Django Workshop

**Dr.C.Venkata Narasimhulu Sir, Dr. Shaik Shavali Sir, Dr. Sunil Kumar Sir and Dr. Moksud Alam Mallik Sir honor Mr. Shaik Mahbub Abbas Sir (Spokes Person)**

**Top Students Recognized with Dr. Moksud Alam Mallik Sir and Mr. Syed Mushtaq Ali Sir**

**Student Shares Input in Django Training Lab**

on 18th of March @ 2nd floor lab 222A, Day 5 of the workshop introduced students to MySQL, a widely used relational database management system. They were guided in setting up a local server using XAMPP, which includes Apache, MySQL, and PHP, facilitating website testing. Subsequently, a Django test evaluated their comprehension of the high-level Python web framework and its applications in web development. This real-world scenario allowed them to apply their acquired knowledge and skills. The workshop concluded with a closing ceremony and feedback session, providing participants with the opportunity to share their experiences and suggestions. The top 3 toppers of the Django test were honored, encouraging excellence in their future pursuits. The chief guest received recognition for their support throughout the workshop. Overall, the event was a resounding success, leaving participants with a profound understanding of web development and the tools involved.

**Esteemed Dignitaries Dr.C.Venkata Narasimhulu Sir, Dr. Shaik Shavali Sir, Dr. Sunil Kumar Sir and Dr. Moksud Alam Mallik Sir and Mr. Shaik Mahbub Abbas Sir (Spokes Person) Grace the Full Stack Software Development with Django Training**

## Parent Teacher meeting

"When parents and teachers unite, a symphony of wisdom takes flight."

The Parent-Teacher Meet for the esteemed department of CSE-Data Science was organized on 24th June 2023, at the Lords Campus on the 1st floor in Room No. 106. This meet-up served as an opportunity for parents to engage in meaningful discussions with the faculty concerning their children's academic progress, conduct, and overall performance.

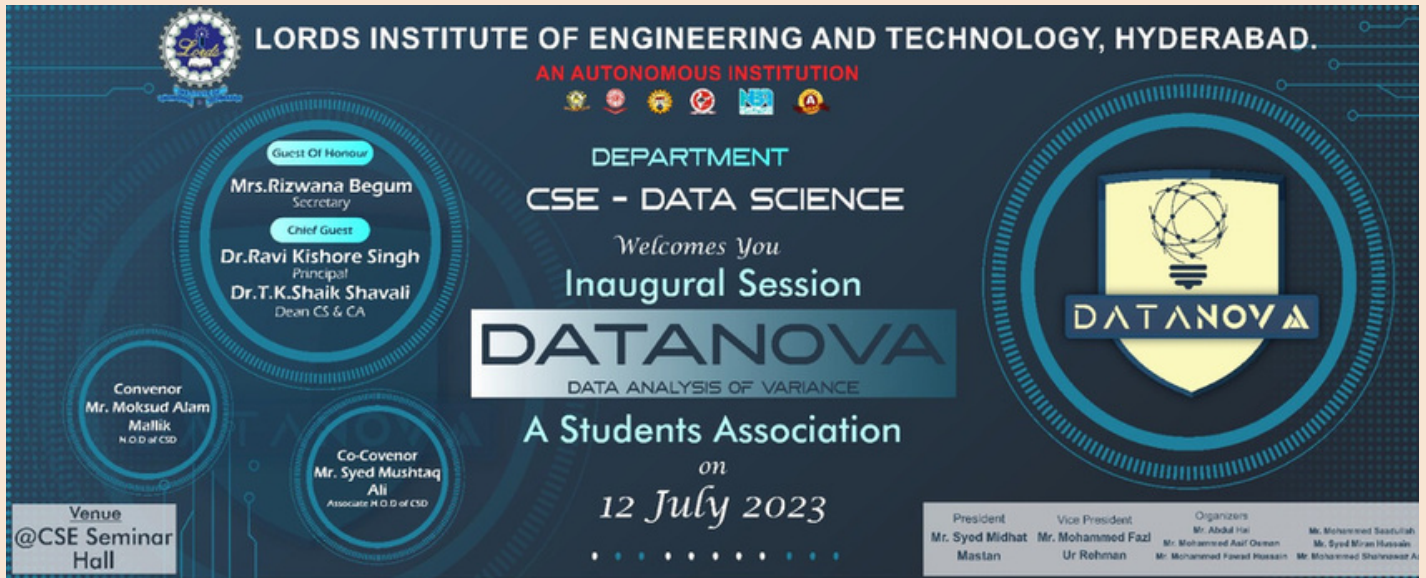

In the weeks leading up to the Parent-Teacher Meet, the diligent efforts of the class in-charges and mentors ensured that parents were well-informed through personalized telephonic invitations. Principal, Dr. Ravi Kishore Singh Sir, HOD of CSE-Data Science, Dr. Moksud Alam Mallik Sir, as well as the devoted Class Teachers, Mr. Syed Mushtaq Ali Sir, and Mr. Shaik Yaser Ahmed Sir. Accompanying them were the accomplished subject handling faculties, namely Mr. Mustafiz Sharique Sir, Mr. Feroz Amer Sir, and Mrs. Y. Shakuntala Ma'am.

In essence, the Parent-Teacher Meet served as a pivotal step in fostering a robust and harmonious relationship between the esteemed institution, its dedicated faculty, and the supportive parents, all working together to nurture the academic and personal growth of the students pursuing excellence in CSE-Data Science.

# Inauguration of Student Association Club

## DATANOVA: Data Analysis Of Variance

On 12th of July the DATANOVA Club has been formed and inaugurated in the presence of Management, Deans, Staff members and Students.

Unveiling of DATANOVA Banner by Respected Dignitaries

Respected Dignitaries on the dias
