# S&H SPECTRUM

A Semester of Innovation, Service & Celebration

## SEMESTER HIGHLIGHTS

### Hackathon 2K26 – Innovation in Action

Students showcased creativity and problem-solving skills.

### Gen AI Seminar – Beyond the Hype

Real-world insights for rising engineers.

### Cybersecurity Awareness Program

Empowering students with digital safety knowledge.

### Blanket Distribution Drive (NSS)

Spreading warmth through social responsibility

## S&H SPECTRUM

### A SEMESTER OF INNOVATION, SERVICE & CELEBRATION

Department of Science & Humanities presents a vibrant collection of academic excellence, technical innovation, social outreach, and cultural engagement from September 2025 – January 2026.

This edition highlights Hackathon 2K26, National Voter's Day, Industrial Visit, Parent Teacher Meet, Fresher's Day Celebrations, and impactful NSS initiatives.

## 1. Holistic Development Programme for Non-Teaching Staff

The Department of English at Lords Institute of Engineering & Technology organized a Holistic Development Programme for Non-Teaching Staff on 8th and 22nd August 2025. The sessions focused on enhancing workplace skills, ethics, and engagement through interactive workshops and practical activities.

Around 25 participants benefited from expert sessions on communication, teamwork, and stress management. The programme received positive feedback and reflected the institution's commitment to fostering a professional and ethical work environment.

## 2. Orientation Programme – Batch 2025–2029

Lords Institute of Engineering and Technology, Hyderabad, organized the 23rd Orientation Programme for the B.E. Batch 2025–2029 on 28th and 29th August 2025 at the Seminar Hall, Main Block. Around 3,500 students and parents attended the event. The programme was graced by V. Balakrishna Reddy, Chairman of Telangana State Council of Higher Education, along with C. A. Basha Mohiuddin, Rizwana Begum, Syed Tousif Ahmad, Syed Tanvir Ahmed, and Ravi Kishore Singh.

The programme provided students and parents with a comprehensive introduction to the institute's academic framework, available facilities, and student support services. Academic toppers and students with 100% attendance were also honored, making the event informative and inspiring for the newly admitted students.

### 3. BE First Year Induction Programme (2025–26)

The Department of Science & Humanities at Lords Institute of Engineering and Technology (LIET) organized B.E. First Year Induction Programme from 01 September 2025 to 07 September 2025 at First Year Block to welcome newly admitted students and help them adjust to college life. The programme included bridge courses in the morning and induction sessions in the afternoon, focusing on academic orientation and overall student development. More than 1000 students participated. The Principal, Heads of Departments, and senior faculty addressed students on academic regulations, curriculum, campus facilities, and career guidance. The programme was informative and helped students begin their academic journey with confidence.

### 4. Teacher's Day Celebration 2025–2026

The Department of Science & Humanities and Department of English, LIET, celebrated Teacher's Day on 5th September 2025 at the Orator's Club and C.V. Raman Seminar Hall, I-Year Block. The event honored the valuable role of teachers and paid tribute to Dr. Sarvepalli Radhakrishnan. B.E. First-Year students actively participated in activities such as elocution, poster making, handmade card making, and essay writing, strengthening the bond between teachers and students. The celebration featured a felicitation ceremony recognizing the dedication and contributions of faculty members. The event concluded with a vote of thanks, leaving a spirit of respect, gratitude, and joy among students and staff. The event was coordinated by Ms. Sumaiya Kalim.

## 5. Awareness Session on Attainment Assessment

The Department of Science & Humanities of Lords Institute of Engineering and Technology (LIET) conducted an Awareness Session on Attainment Assessment on 24 July 2025 at the PP Lab, First Year Block. The session was led by Anjum Begum, Assistant Professor, with participation from 65 first-year faculty members.

The session focused on Outcome-Based Education (OBE), attainment assessment methods, formulation of measurable learning objectives, and preparation of course files as per the revised academic format. Faculty members were guided on aligning Course Outcomes with Program Outcomes to design effective assessment tools, strengthening academic quality and assessment practices.

## 6. Faculty Orientation Program 2025-26

The S & H Department of Lords Institute of Engineering and Technology, Hyderabad, organized a Faculty Orientation Program on 15th September 2025 to familiarize faculty members with academic policies, teaching methodologies, and institutional practices. Senior faculty and academic coordinators shared insights on Outcome-Based Education (OBE), research initiatives, mentoring systems, and continuous assessment processes. The session also encouraged interaction and exchange of ideas among faculty members.

The programme strengthened collaboration between departments and reinforced the institution's commitment to maintaining academic excellence and quality education.

## 7. Session on GDG for First Year Students

The S & H Department, Lords Institute of Engineering and Technology, Hyderabad, organized an informative session on Google Developer Groups (GDG) for first-year students on 20th September 2025.

The session introduced students to GDG and its role in building a global developer community. Speakers highlighted opportunities such as technical workshops, hackathons, coding events, seminars, and networking with industry professionals. Students actively participated in the interactive session and clarified their queries. The program concluded by encouraging students to participate in future GDG activities and develop their technical skills.

## 8. Induction Program for First Year Students-Microsoft Students Club

The S & H Department of Lords Institute of Engineering and Technology, Hyderabad, in association with the Microsoft Students Club, organized an Induction Program for first-year students on 27th September 2025.

The session introduced students to the club's vision and activities related to emerging technologies such as Artificial Intelligence, Cloud Computing, Web Development, and App Development. Faculty coordinators encouraged students to participate in workshops, hackathons, certification programs, and technical competitions to build practical skills. The program concluded with an interactive session and vote of thanks, motivating students to actively engage in the club's future initiatives.

## 9. 17 SDGs Report Writing on SDGs

The 17 Sustainable Development Goals (SDG) Awareness Program was conducted from 28 September to 5 October 2025 by the Chemistry Department, S&H, LIET to educate students about sustainable development and responsible citizenship. Around 700+ students participated in activities such as assignments, presentations, group discussions, and a quiz competition, which improved their understanding of the UN Sustainable Development Goals and their importance in real-world challenges. The program was coordinated by Dr. Akanksha Gupta.

**“Our Future, Our Responsibility”**

**SUSTAINABLE DEVELOPMENT GOALS**

1 NO POVERTY	2 ZERO HUNGER	3 GOOD HEALTH AND WELL-BEING	4 QUALITY EDUCATION	5 GENDER EQUALITY	6 CLEAN WATER AND SANITATION
7 AFFORDABLE AND CLEAN ENERGY	8 DECENT WORK AND ECONOMIC GROWTH	9 INDUSTRY, INNOVATION AND INFRASTRUCTURE	10 REDUCED INEQUALITIES	11 SUSTAINABLE CITIES AND COMMUNITIES	12 RESPONSIBLE CONSUMPTION AND PRODUCTION
13 CLIMATE ACTION	14 LIFE BELOW WATER	15 LIFE ON LAND	16 PEACE, JUSTICE AND STRONG INSTITUTIONS	17 PARTNERSHIPS FOR THE GOALS	

Students, staff, Principal and management      Date: 26 October 2025, Time: 2 hour  
Venue: Class rooms, Organized by: NSS

## 10. SDP “Enthusiasm – A Superpower to Success”

The SDP titled “Enthusiasm – A Superpower to Success” was conducted on 6 October 2025 at the Sir C. V. Raman Seminar Hall, First Year Block, LIET for B.E. First Year students. The session was delivered by Prof. M. L. Sai Kumar, who motivated students to understand the importance of enthusiasm, positive thinking, and proper planning for achieving success. Around 500 students participated in the interactive session, which helped them develop a positive mindset and motivation for academic and personal growth. The programme was organized under the guidance of Dr. J. Sasi Kiran, Dean – First Year, and coordinated by Humera Nafees.

## 11. Awareness Session on Scholarship

The Social Welfare Committee of LIET organized an Awareness Program on Student Scholarships on 8th October 2025 for B.E. students of the Department of CSE – Data Science. The session was conducted from 10:00 AM to 11:30 AM as part of a week-long initiative covering all 21 sections of the institute. The programme provided detailed information on government and institutional scholarships, including fee reimbursement, minority, and merit-based schemes. Students were guided on eligibility criteria, required documentation, deadlines, and application procedures. Interactive discussions helped clarify queries. Around 55–60 students participated in each session and benefited from the initiative.

## 12. Syllabus Copies & Curriculum Regulations Inauguration

The Department of Science & Humanities, LIET, organized Syllabus Copies and Curriculum Regulations Inauguration on 9th October 2025 at the Board Room, Main Block. **The event was inaugurated by Mrs. Rizwana Begum, Secretary, and Syed Tanveer Sir, Joint Secretary, in the presence of 25 students.** The programme aimed to distribute newly prepared syllabus copies and provide clarity on curriculum regulations, academic guidelines, schedules, and student support systems. The session included a welcome address, formal inauguration, distribution of materials, and an interactive Q&A session. Students appreciated the clear explanation of course requirements, which will help them plan their academic progress effectively.

## 13. Counselling Session for Students Reporting Late to College

The Department of Science & Humanities organized a counselling session for late-comer students of I-B.E. I-Semester on 10th October 2025 at the Orator Club. The session was conducted by Dr. J. Sasi Kiran, Dean – First Year, with the participation of over 50 students. The session focused on academic discipline, attendance requirements, course structure, evaluation methods, and the importance of punctuality and responsibility. Dr. Sasi Kiran explained academic regulations and student responsibilities, emphasizing commitment to studies and professional conduct. An interactive discussion helped clarify student concerns. The session encouraged responsible behaviour and improved academic engagement among students.

## 14. Felicitation Programme-B.M Birla Science Centre

Touseef Ahmed, Vice Chairman of Lords Institute of Engineering and Technology, was honored with the Dr. A.P.J. Abdul Kalam Excellence Award – 2025 during a Felicitation-cum-Student Development Program held on 15th October 2025 at B. M. Birla Science Centre, Hyderabad. The program was organized by the Telangana Intellectual Forum on the occasion of A. P. J. Abdul Kalam's birthday. First-year students and faculty members attended the event, which highlighted his contributions to education and youth empowerment. The session emphasized Dr. Kalam's values of perseverance, innovation, leadership, and nation-building, inspiring students toward lifelong learning and service.

## 15. Osmania University Inter College Table-Tennis Tournament

The Sports and Games Cell of Lords Institute of Engineering and Technology facilitated student participation in the Inter-College Table Tennis Tournament organized by Osmania University from 15th to 16th October 2025 at St. Joseph Degree & PG College, Hyderabad. A total of 64 players from various affiliated colleges participated in the tournament. The event aimed to promote sportsmanship, physical fitness, and competitive spirit among students. The two-day competition provided a valuable platform for intercollegiate interaction and talent development, with students demonstrating excellent performance, discipline, and sportsmanship throughout the tournament.

## 16. Seminar on Beyond the Hype: Real World Gen AI for Rising Engineers

The Department of Science and Humanities, Lords Institute of Engineering & Technology, organized a seminar titled “Beyond the Hype: Real World Gen AI for Rising Engineers” on 17 October 2025 at the Sir C. V. Raman Seminar Hall, First Year Block. The session was delivered by Shivakumar Keskar, Managing Partner at Smartx Technologies, and attended by 300+ B.E. First Year students. The seminar highlighted the practical applications of Generative Artificial Intelligence, industry trends, and emerging opportunities in AI-driven technologies. The interactive session provided students with valuable industry insights and helped bridge the gap between academic learning and real-world applications.

## 17. Mentoring Session For B.E 1<sup>st</sup> Year Students

The Mentoring Session Program for B.E. First Year Students was conducted on 22 October 2025 at the First Year Block, Lord’s Institute of Engineering and Technology, Hyderabad, under the guidance of the Dean – First Year. The session provided a supportive platform for students to discuss their academic progress, career goals, and personal concerns with their mentors. Mentors offered guidance on study strategies, goal setting, and career opportunities. More than 1100 students participated in the program, which helped strengthen the mentor-mentee relationship and motivated students for better academic performance. The session was coordinated by Dr. J. Sasi Kiran, Dean – First Year.

## 18. Ignite Your Engineering Journey: Awareness Session for Aspiring Students

An awareness session titled “Ignite Your Engineering Journey” was conducted on 28th October 2025 at the Sir C. V. Raman Seminar Hall, I-Year Block, Lords Institute of Engineering & Technology, by the Department of Science & Humanities. The programme was organized for the students of ARASTU Junior & Degree College, Hyderabad, and was addressed by Dr. J. Sasi Kiran, Dean – I Year. The session witnessed active participation from more than 200 students.

The objective of the session was to create awareness about various engineering disciplines, emerging technologies, academic pathways, and career opportunities. The speaker shared practical insights on real-world applications of engineering concepts, essential skill development, industry expectations, and future technological trends.

The interactive session helped students gain clarity in identifying suitable academic and career pathways aligned with their interests and strengths. The programme concluded successfully and was highly appreciated by the participants.

## 19. Youth & IT SDG Walk 2047

The Youth & IT SDG Walk 2047 was conducted on 14 September 2024 at Necklace Road, organized by the Research Height Foundation in collaboration with the NSS Outreach Program of Lords Institute of Engineering & Technology. The event, held under the theme “Act Local – Impact Global”, aimed to promote awareness about the 17 Sustainable Development Goals (SDGs). Around 200 LIET students actively participated in the walk, showing strong commitment toward social responsibility and sustainability. The programme was inaugurated by Jishnu Dev Varma, Hon'ble Governor of Telangana, making the event inspiring and impactful.

## 20. Guest Lecture On Engineering Chemistry

The Department of Science and Humanities, Lords Institute of Engineering & Technology (Autonomous), organized a two-day Guest Lecture on Engineering Chemistry on 10–11 November 2025 for B.E. First Year students in Lecture Halls 742, 735, and 723. The sessions were delivered by Dr. Rehana Anjum, Anjum Begum, and Arshiya Anjum, focusing on key topics such as electrochemical cells, electrode potentials, the Nernst equation, batteries, and water chemistry. The lectures helped students strengthen their conceptual understanding and improve their problem-solving skills by connecting theoretical concepts with practical applications.

## 21. Guest Lecture On Engineering Physics

The Department of Science and Humanities, Lords Institute of Engineering & Technology, Hyderabad, organized a Guest Lecture on Engineering Physics on 13 November 2025 for B.E. First Year students. The session was delivered by Dr. Mujeeb Hasan, Prof. Aslam Shareef, and Prof. Hussain Bee S. K., with around 140 students participating. The lecture covered topics such as lasers, fiber optics, quantum mechanics, semiconductors, and nanoscience, highlighting their real-world engineering applications. The interactive session enhanced students' conceptual understanding and encouraged them to explore the role of Engineering Physics in modern technology.

## 22. Guest Lecture On Python Programming

The Department of Science and Humanities (First Year), Lords Institute of Engineering & Technology, Hyderabad, organized a Guest Lecture on Python Programming on 11 November 2025 for B.E. First Year (Group A) students. The session was delivered by Prof. Pooja Chavan and Prof. Muntaj Begum, who explained Python fundamentals with practical examples and real-world applications. Around 55 students participated and gained a clear understanding of basic programming concepts. The interactive session motivated students to begin coding with confidence.

## 23. Guest Lecture On Mathematics-I

The Department of Science and Humanities, Lords Institute of Engineering & Technology, Hyderabad, organized a Guest Lecture on Mathematics-I on 12 November 2025 for B.E. First Year students. The session was delivered by Dr. Shaik Mohd Ali, Dr. Masarrat Jabeen, and Prof. Amtul Muneer.

## 24. Guest Lecture On Basic Electrical Engineering

The Department of Science and Humanities, Lords Institute of Engineering & Technology, Hyderabad, organized a Guest Lecture on Basic Electrical Engineering (BEE) on 16 November 2025 for B.E. First Year students. The session was delivered by Prof. J. P. Balaji, Prof. R. Venkata Krishna, and Abdul Kareem, with 60 students participating. The lecture covered topics such as electrical circuits, machines, power systems, and safety practices, highlighting real-world applications and improving students' understanding and problem-solving skills.

## 25. Felicitation Programme of Dr. Masarath Jabeen for being awarded Ph.D.

The I-Year staff members of Lords Institute of Engineering & Technology (LIET-A) organized a felicitation program on 19 November 2025 to honor Mrs. Masarath Jabeen on receiving her Doctorate in Mathematics from Osmania University. The event recognized her academic excellence, dedication, and valuable contributions to the institution. Faculty members and dignitaries appreciated her achievement and highlighted her commitment to teaching and research. The program celebrated her milestone and reflected the institution's pride in her accomplishment.

## 26. 22<sup>nd</sup> Youth Sports Fest 2025

The 22nd Youth Sports Fest for B.E. First Year students was organized at Lords Institute of Engineering & Technology from 20–22 November 2025 by the Department of Physical Education, Sports & Games Cell in association with the Department of Science and Humanities. More than 700 students participated in various sports and games including cricket, football, basketball, volleyball, kabaddi, kho-kho, judo, karate, wrestling, throwball, table tennis, chess, carrom, and tug of war. The event promoted teamwork, discipline, sportsmanship, and physical fitness among students. Prizes were later distributed during Fresher's Day celebrations, and the fest created a vibrant and energetic atmosphere on campus.

## 27. Industrial Visit to Ganapathi Sugar Ltd.

The Department of Science and Humanities organized an Industrial Visit to Ganapathi Sugars Ltd., Sangareddy on 29 November 2025 for B.E. First Year students. A total of 30 students participated under the guidance of Dr. Altaf, Mr. Touseef Sumer, and Mr. Imran Khan. During the visit, Mr. Solanki, Superintendent, explained the sugar manufacturing process, machinery operations, and safety practices. The visit provided students with valuable practical exposure to industrial operations and helped them understand real-world engineering applications, making the programme informative and beneficial for their learning.

## 28. Parents Teachers' Meet 2025

The Department of Science and Humanities at Lords Institute of Engineering & Technology organized a Parent-Teacher Meeting (PTM) on 29 November 2025 at the First Year Block from 9:30 AM to 4:30 PM. The meeting aimed to discuss students' academic performance and progress with their parents and guardians. Faculty members interacted with parents to review students' achievements and identify areas for improvement. More than 1100 parents and students participated in the programme. The event strengthened communication between parents and faculty, helping to provide better academic guidance and support for students. The programme was coordinated by Dr. J. Sasi Kiran, Dean – I Year.

## 29. Master Class on Python Programming (Conceptual Learning)

The Department of Science and Humanities (First Year) organized a Master Class on Conceptual Learning in Python Programming on 1 December 2025 at Lords Institute of Engineering & Technology, Hyderabad. The session was delivered by Dr. K. Nagireddy, Dean Academics, and Ms. Sumaiya Begum for B.E. I Year IT-A students. The masterclass focused on understanding core Python concepts and logical thinking rather than memorizing syntax. Around 50 students participated and improved their conceptual understanding of Python programming. The session was coordinated by Prof. Muntaz Begum Shaik.

## 30. Felicitation Programme of Honourable Secretary Mrs. Rizwana Begum, of LIET

The I-Year Staff Members of Lords Institute of Engineering & Technology (A) organized a felicitation programme on 1 December 2025 to honor Rizwana Begum, Hon. Secretary, on being conferred with an Honorary Doctorate. The event recognized her visionary leadership and valuable contributions to education and institutional development. Faculty members and dignitaries attended the programme and expressed their appreciation. Around 35 participants were present. The event was coordinated by Dr. J. Sasi Kiran.

## 31. Telangana Rising Global Summit

The Visit to the Telangana Rising Global Summit was organized on 10 December 2025 for students of Lords Institute of Engineering & Technology at Bharat Future City, Hyderabad. The summit showcased the Telangana Rising 2047 vision, focusing on attracting global investments and promoting development in sectors such as technology, infrastructure, clean energy, and manufacturing. The event was inaugurated by Jishnu Dev Varma, Governor of Telangana, and led by A. Revanth Reddy, Chief Minister of Telangana. More than 600 LIET students attended the summit and gained valuable exposure to global investment initiatives and future economic opportunities. The visit was coordinated by Dr. Shaik Mohammed Ali and Mr. Mohd Khaled Ahmed.

## 32. Fresher's Day Celebration 2025

The Fresher's Day Celebrations for Batch 2025–2029 were held on 20 December 2025 at the Cricket Ground, Lords Institute of Engineering & Technology (Autonomous). The event was organized by the Arts, Cultural, Orators, and Literary Cell to warmly welcome the first-year students. The programme included dance, singing, skits, shayari, qawwali, and a ramp walk, where Mr. & Ms. Fresher were selected. Sports prizes and best performance awards were also distributed. The event was attended by Chairman Janab C.A. Basha Mohiuddin, Secretary Mrs. Rizwana Begum, Joint Secretary Mr. Syed Tanvir Ahmed, and Principal Dr. Ravi Kishore Singh. More than 1500 students participated, making the celebration vibrant and memorable. The programme was coordinated by Ms. Siddiqui Tahseen Fatima.

### 33. Mir Ali Classic Body Building Championship 2025

The Mir Ali Classic Bodybuilding Championship 2025 was organized by the Sports and Games Cell of Lords Institute of Engineering & Technology on 28 December 2025 at Y.N.R Garden Function Hall. Around 30 participants competed in different weight categories. The event promoted fitness, discipline, and sportsmanship among students and fitness enthusiasts. Winners were awarded trophies and certificates. The programme was coordinated by Dr. Parvaiz Ahmad Dar.

### 34. Preparation, Presentation Strategies, And Scheme Of Examination & Evaluation

The Department of Science and Humanities, LIET (Autonomous), organized an awareness session on Preparation, Presentation Strategies, and Scheme of Examination & Evaluation from 29 December 2025 to 03 January 2026 at the C. V. Raman Seminar Hall, First Year Block. The session was delivered by Dr. J. Sasi Kiran, Dean – First Year, who explained the Continuous Internal Evaluation (CIE), Semester End Examination (SEE) pattern, marks distribution, Bloom's Taxonomy, and time management in the exam hall. Around 1130 first-year students participated in the programme. The session helped students clearly understand the examination system, evaluation process, and effective preparation strategies. The programme was coordinated by Mr. Aslam Shareef.

## 35. Peer to Peer Learning Sessions

The Peer-to-Peer Learning Program was conducted from 22 to 27 December 2025 at the First Year Block, Lords Institute of Engineering & Technology, Hyderabad, under the guidance of Dr. J. Sasi Kiran, Dean – First Year. The programme aimed to enhance students' understanding through collaborative learning, discussion, and knowledge sharing among peers. More than 1100 B.E. First Year students actively participated in the sessions. The initiative improved communication, teamwork, and leadership skills while increasing students' confidence and conceptual understanding. Overall, the programme was engaging, informative, and highly beneficial for the students.

## 36. Cyber Security & Cyber Crime Awareness Programme

### Cyber Crime Awareness Program

A Cyber Crime Awareness Program was organized at Lords Institute of Engineering & Technology on 9 October 2026 at the C. V. Raman Seminar Hall in collaboration with the Rajendranagar Police Station under the National Service Scheme (NSS). The session was delivered by Naveen Kumar (Inspector), Raghuvendra (SI), Rajita, and Chandra Shekhar. The officials explained various cyber threats such as online fraud, phishing, fake links, OTP scams, and social media misuse, and advised students to protect personal information and use secure online practices. More than 200 students attended the session, which created strong awareness about cyber safety and reporting mechanisms.

## 37. Hackathon6-2K26

The Department of Science and Humanities (First Year) of Lords Institute of Engineering and Technology (Autonomous) organized Hackathon-6-2K26 on 12th January 2026 at the C. V. Raman Seminar Hall. The event aimed to promote innovation, creativity, and teamwork among first-year B.E. students through coding and problem-solving activities. The program was graced by Shaik Sadeq Ali, Deputy Director of MS Education Academy, who encouraged students to apply theoretical knowledge to real-world challenges.

Around 200 students participated in teams and presented innovative solutions. Faculty members evaluated the projects, and the winners were felicitated during the \*\*Republic Day celebrations on 26th January 2026. The event helped improve students' coding skills, teamwork, and confidence.

## 38. Republic Day Celebration 2026

The Republic Day celebration at Lords Institute of Engineering and Technology began with the flag hoisting and the National Anthem, followed by a welcome address by the Principal highlighting the importance of democracy and constitutional values.

Students and staff actively participated in cultural performances including patriotic songs, dances, speeches, and skits reflecting the spirit of nationalism. The program also included prize distribution and felicitation of achievers for their outstanding contributions. The celebration honored the sacrifices of freedom fighters and inspired participants to contribute toward nation-building with dedication and responsibility.

### 39. Blanket Distribution

The Department of Science and Humanities, in collaboration with National Service Scheme (NSS) at Lords Institute of Engineering and Technology, organized a Blanket Distribution Program on 28th January 2026 at the college lawn under the guidance of the Dean – First Year.

The initiative aimed to support economically disadvantaged people by providing winter relief and encouraging social responsibility among students. More than 50 first-year B.E. students participated actively, and 30 beneficiaries were provided with blankets. The programme reflected the institution's commitment to community service and offered timely support to those in need.

### 40. Udaan – A Kite Festival

Lords Institute of Engineering and Technology hosted UDAAN 2K26 – A Kite Fest on 31st January 2026, organized by the DMD&FA Club in association with the Arts and Cultural Cell. The event brought together students, faculty, and staff to celebrate joy, unity, and cultural vibrancy on campus.

More than 500 participants enthusiastically took part in kite flying and fun activities. The fest created a lively atmosphere, promoting creativity, teamwork, and relaxation, making it a memorable celebration for the entire campus community.

## 41. Orator's Club Activity

The Department of English at Lords Institute of Engineering and Technology (Autonomous) conducted Orator's Club activities from 8th September 2025 to 13th January 2026 at the Orator's Club Hall, First Year Block. The programme aimed to improve speaking skills, presentation ability, and confidence among B.E. first-year students. Students participated in roles such as coordinators, anchors, presenters, and volunteers under faculty guidance. Weekly sessions included presentations and feedback, evaluating students on content, body language, vocal delivery, and language proficiency. The activity significantly enhanced students' communication skills and interview readiness.

## 42. Mathematics Club Activity

The Department of Mathematics at Lords Institute of Engineering and Technology conducts weekly Mathematics Club activities for B.E. First Year students under the coordination of Shaik Mohammed Ali. The club aims to promote interest in mathematics, recognize academic excellence, and support students in higher studies and placements. Around 60 students actively participate in activities such as Mathathons, Pi Day celebrations, Integration Bees, competitions, and workshops. These activities improve problem-solving and critical thinking skills while reducing mathematics anxiety and encouraging real-world application of mathematical concepts.

### 43. Course Co-ordinators' Meeting

The Course Coordinators Meeting for the 2025–2026 batch was conducted on 4th December 2025 at Lords Institute of Engineering and Technology in the Dean's Chamber under the leadership of the Dean – First Year. The meeting focused on academic planning through the preparation and review of course files, lesson plans, textbooks, and question banks for CIE and SEE. Emphasis was given to CO–PO mapping and Bloom's Taxonomy–based question paper design to support outcome-based education, ensuring uniformity and quality in teaching and assessment practices.

### 44. Class Representatives Review Committee Meeting

The Class Representatives Review Committee (CRC) Meeting for I-B.E., I-Semester was conducted from 13th to 25th November 2025 at the Dean's Office, First Year Block of Lords Institute of Engineering and Technology, under the leadership of J. Sasi Kiran, Dean – First Year. CRC members from 21 sections participated in reviewing academic activities and the Teaching–Learning Process (TLP). Discussions focused on continuous evaluation, question bank preparation, attendance monitoring, laboratory performance, and student progress. Action plans were also formulated to address academic concerns and ensure smooth implementation of the semester.

## 45. Internal Question Paper Evaluation Committee Review Meeting

The Department of Science & Humanities at Lords Institute of Engineering and Technology conducted the Internal Question Paper Evaluation Committee (IQPEC) Review Meeting on 12th January 2026 at the Dean – First Year Office. The meeting was chaired by J. Sasi Kiran, Dean – First Year, and attended by 12 B.E. First Year course coordinators and co-coordinators. The committee reviewed internal question papers using defined checkpoints to ensure quality, fairness, relevance, and outcome orientation. Constructive suggestions were given for improvement, and the CIE-2 question bank was validated, promoting clarity, innovation, and standardized assessment practices.

## 46. R&D Activities

Faculty Development Activities (July – October 2025) Faculty members of the Department of Science & Humanities at Lords Institute of Engineering and Technology actively participated in several FDPs, workshops, webinars, conferences, hackathons, and training programs from July to October 2025. A total of 90+ participations were recorded in both online and offline modes. These programs covered areas such as Artificial Intelligence, Cloud Computing, Research Methodology, Cyber Security, Outcome-Based Education, and innovative teaching methods. Participation in these activities helped faculty enhance their teaching, research, and technical skills, contributing to improved teaching–learning practices in the institution.

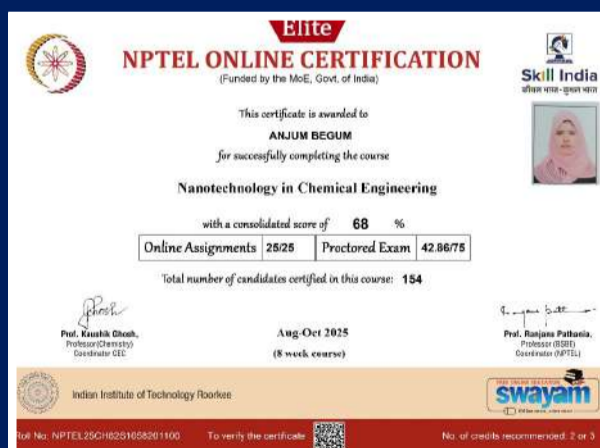

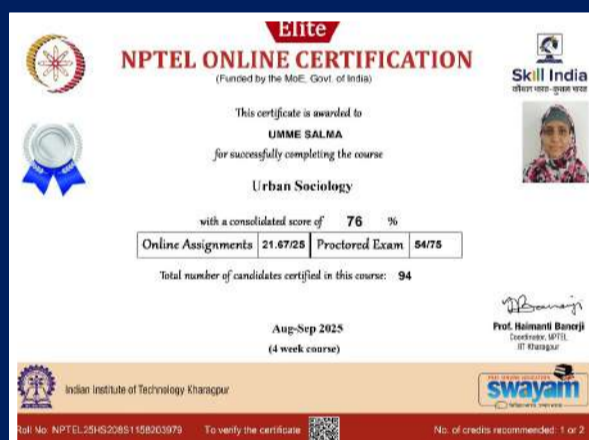

Activity Type	Count
FDP	42
Webinar	19
Hackathon	8
PDP	11
STTP	1
Conference	2
Course / Refresher / Training	13
<b>Total</b>	<b>96</b>

## 47. NPTEL Certification Activities

Faculty from the Science & Humanities Department successfully completed the certification examination with 100% participation. Out of seven faculty members, three secured Elite + Silver certification, three achieved Elite certification, and one completed the course successfully. The results reflect strong academic performance and active faculty involvement in professional development.

Certificate Type Summary	
Certificate Type	Number of Faculty
Elite + Silver	3
Elite	3
Completed	1
<b>Total</b>	<b>7</b>

Score Summary (Approx.)	
Assignment Score	Exam Score
23.16	47.84
<b>Final Score</b>	
71.14	

**Overall, the results demonstrate active faculty participation and strong performance in professional certification.**

## 48. Faculty Membership Details

Faculty members hold lifetime memberships in professional bodies including ISTE, InSc, and Association of Chemistry Teachers.

A. ISTE Membership			
S. No.	Name of the Faculty	Membership Number	Membership Validity
1	Mrs. Siddiqui Tahseen Fatima	LM127301	Life Time Membership
2	Mr. Sangi Bhanu Prasad	LM127310	Life Time Membership
3	Prof. Irshad Ali Md	LM127314	Life Time Membership
4	Mr. Shaik Mohammed Ali	LM127300	Life Time Membership
5	Mrs. Masarath Jabeen	LM127299	Life Time Membership
6	Mrs. Anjum Begum	LM127304	Life Time Membership
7	Mrs. Radhika G	LM127311	Life Time Membership
8	Mr. Syed Naseeruddin	LM127306	Life Time Membership
9	Dr. Md Sameer Ahmed	LM134114	Life Time Membership
10	Dr. Rehana Anjum	LM134218	Life Time Membership
11	Ms. Asra Jabeen	LM-137820	Life Time Membership
12	Ms. UMME SALMA	LM-145169	Life Time Membership
B. Institute of Scholars (InSc)			
S. No.	Name of the Faculty	Membership Number	Membership Validity
1	Dr. Md. Sameer Ahmed	202239RA70	Life Time Membership
C. Association of Chemistry Teachers Membership			
S. No.	Name of the Faculty	Membership Number	Membership Validity
1	Dr. Md. Sameer Ahmed	2365	Life Time Membership
2	Dr. Rehana Anjum	2363	Life Time Membership
3	Mrs. Anjum Begum	2363	Life Time Membership

## 49. Ph.D. Pursuing Faculty Details

Faculty Development and Research at LORDS Institute

LORDS Institute of Engineering and Technology actively promotes faculty development to strengthen teaching, research, and innovation. Several faculty members from the Science and Humanities Department are currently pursuing doctoral research, integrating advanced knowledge and evidence-based teaching into the classroom. The institute supports them with On-Duty permissions, academic flexibility, and incentives, reflecting its commitment to lifelong learning, professional growth, and a strong research culture.

**Ms. Pooja Chavan**  
B.E, M.Tech, Assistant Professor

**Ms. Parveen Suraiya**  
M.A., M.Ed, Assistant Professor

## 50. Students Achievements

The Department of Sciences and Humanities, Lords Institute of Engineering & Technology (UGC Autonomous), AY 2025–26, proudly recognizes the outstanding achievements of First Year B.E. students in various technical competitions, hackathons, quizzes, and innovation events organized both within the institution and at external organizations.

Students actively participated in events such as Hack-a-Mini, Tech Trivia 2.0, ARTECHULATE, Digital Heist Club, Decode AI, IIT Bombay E-Cell Summit Chapters, Maths Maze Mania Digital Quiz, Hack & Build Python Workshop, and Hack-A-Thon-6 (2K26). Their remarkable performances earned them multiple First, Second, and Third prizes, cash awards, and recognitions.

These achievements highlight the students' technical knowledge, creativity, teamwork, and problem-solving abilities. The participation of students in the Lords Internal Hackathon (LIH-2025) under the Smart India Hackathon initiative, with around 300 participants, further encouraged innovation and collaborative learning.

Overall, the accomplishments of the first-year students reflect the institution's strong commitment to promoting innovation, technical excellence, and holistic student development.

S.No	Event Name	Type	Award/Prize	No. of Students	Organizing Body / Venue	Date
1	Hack-a-Mini	Technical	First Prize (₹3000 Cash)	2	Lords Skill Academy, Hyderabad	15/9/2025
2	Tech Trivia 2.0	Technical	Second Prize	3	IEEE Student Branch, LIET(A)	18/9/2025
3	ARTECHULATE	Technical	First Prize	2	Google Developers Groups, LIET(A)	18/9/2025
4	ARTECHULATE	Technical	Second Prize	4	Google Developers Groups, LIET(A)	18/9/2025
5	ACE Engineers	Technical	Third Prize	2	Microsoft Student Club, LIET(A)	18/9/2025
6	Digital Heist Club	Technical	First Prize	4	Mobile App Development Club, LIET(A)	18/9/2025
7	Digital Heist Club	Technical	Second Prize	2	Mobile App Development Club, LIET(A)	18/9/2025
8	Decode AI	Technical	First Prize	4	AI Club, LIET(A)	17/10/2025
9	Decode AI	Technical	Second Prize	4	AI Club, LIET(A)	17/10/2025
10	Decode AI	Technical	Third Prize	2	AI Club, LIET(A)	17/10/2025
11	IIT Bombay E-Cell Summit Chapters	Technical	Third Prize (₹5000 Cash)	6	Lords E-Cell	26/10/2025
12	Speak Out of Engineering 2025	Technical	Third Prize	1	Dept. of Mechanical Engineering	31/10/2025
13	Hack & Build Python Workshop	Technical	Best Performer Recognition	1	Lords Skill Academy, Hyderabad	8/11/2025
14	Maths Maze Mania (Digital Quiz)	Technical	First Prize	2	Bhavan's New Science College, Hyderabad	24/12/2025
15	Maths Maze Mania (Digital Quiz)	Technical	Second Prize	2	Bhavan's New Science College, Hyderabad	24/12/2025
16	Angle Archery	Technical	First Prize	1	—	—
17	Pi Rate Treasure Hunt	Technical	First Prize	1	—	—
18	Hack-A-Thon-6 (2K26)	Technical	First Prize	13	Dept. of S&H, LIET(A)	12/1/2026
19	Hack-A-Thon-6 (2K26)	Technical	Second Prize	9	Dept. of S&H, LIET(A)	12/1/2026
20	Hack-A-Thon-6 (2K26)	Technical	Third Prize	14	Dept. of S&H, LIET(A)	12/1/2026
21	Hack-A-Thon-6 (2K26)	Technical	Consolation Prize	5	Dept. of S&H, LIET(A)	12/1/2026

First Prize with 3000/- Cash in Hack-a-Mini

Second Prize in TECH TRIVIA 2.0 by IEEE SB, LIET(A)

First Prize in ARTECHULATE by GDG, LIET(A)

Second Prize in ARTECHULATE by GDG, LIET(A)

Third Prize in ACE Engineers by MSC, LIET(A)

First Prize in Digital Heist Club by MAD, LIET(A)

First Prize in Decode AI by AI Club, LIET(A)

Second Prize in ARTECHULATE by GDG, LIET(A)

Second Prize in Decode AI by AI Club, LIET(A)

Third Prize in Decode AI by AI Club, LIET(A)

Third Prize in IIT Bombay E-Cell Summit Chapters by Lords E-Cell, LIET(A)

Best Performer Recognition in Hack & Build: Python Workshop by Lords Skills Academy

First and Second Prizes in Maths Maze Mania (Digital Quiz) by Bhavan's New Science College, Narayanaguda, Hyderabad

**Hack-A-Thon-6 (2K26) Winners Felicitation on 77th Republic Day**

**First Year Students Participation in Lords Internal Hackathon (LIH)-2025**

## 51. Faculty Achievement

Dr. Mujeeb Hasan, Assistant Professor, Department of Sciences and Humanities, mentored a six-member student team that won the Smart India Hackathon (SIH) 2025 Grand Finale held at IIT Roorkee from 8-12 December 2025. The team “Caffeinated Coders” secured a cash prize of ₹1.5 lakh in the national-level hardware hackathon organized by the Ministry of Education’s Innovation Cell, Government of India.

The team developed a low-cost portable jute ribboning machine to reduce manual labour and help jute farmers improve productivity. The project was appreciated for its innovation and practical use. The achievement reflects the effective guidance of Dr. Mujeeb Hasan and the institution’s focus on innovation and student development.

**Dr. Mujeeb Hasan mentored a six-member team that won the Smart India Hackathon (SIH) 2025 Grand Finale at IIT Roorkee, securing a cash prize of ₹1.5 lakh.**

## 52. Press & Media Coverage

**Students Advised to Adapt to Change and Embrace Innovation-** The Induction Programme for the 2025–2029 batch was successfully conducted at Lords Institute of Engineering & Technology, Hyderabad. The programme introduced students to the institution's vision, academic environment, and opportunities for overall development. Prof. (Dr.) V. Balakista Reddy, Chairman, Telangana Council for Higher Education, attended as the Chief Guest and encouraged students to adapt to change, embrace innovation, and strive for excellence. The event was held in the presence of Chairman Mr. Bashah Mohiuddin, Secretary Ms. Rizwana Begum, Vice Chairman Mr. Syed Tauseef Ahmed, Joint Secretary Mr. Syed Tanveer Ahmed, Principal Dr. R.K. Singh, and Dean First Year Dr. J. Sasi Kiran. The programme concluded with awards to outstanding students and appreciation for parents, making the event inspiring and memorable.

### Motivational Session on Value-Based Education

A motivational session was organized for B.E. First Year students at Lords Institute of Engineering & Technology, Himayat Sagar, Gandipet. The session was delivered by Prof. Sai Kumar, who encouraged students to work for the welfare of society through value-based education. He motivated students to improve their skills, technology awareness, and educational standards, emphasizing that encouragement and support are essential for success. More than 300 students attended the programme, and the guest was honored with a shawl and memento in the presence of faculty members and organizers.

## సమాజ శ్రేయస్సుకు కృషి చేయాలి

### ● రిసోర్స్ పర్సన్ సాయికుమార్

#### సవతెలంగాణ-గండిపేట్

విద్యార్థులు విలువలతో కూడిన విద్యతో సమాజ శ్రేయస్సుకు కృషి చేయాలని రిసోర్స్ పర్సన్ ప్రొఫెసర్ సాయికుమార్ అన్నారు. మంగళవారం గండిపేట మండలం హిమాయత్ సాగర్లోని లార్డ్స్ ఇంజనీరింగ్ కళాశాలలో ఫస్ట్ ఇయర్ విద్యార్థులకు ప్రేరణ సెషన్స్ కార్యక్రమాన్ని ఏర్పాటు చేశారు. ఈ కార్యక్రమానికి వారు ముఖ్యఅతిథిగా పాల్గొని ఆయన మాట్లాడుతూ... విద్యార్థులు విజయం వైపు ప్రోత్సహించాలన్నారు. విద్యార్థుల్లో ఉన్న ఉత్సాహాన్ని విజయాన్ని గుర్తించాలన్నారు.

విజయానికి అనేక చిక్కల ద్వారా ప్రేరేపిస్తూ ముందుకెళ్లాలన్నారు. నైపుణ్యత టెక్నాలజీ, విద్యా ప్రమాణాలను మెరుగుపరుచుకోవాలని కోరారు. వ్యక్తి పేరణ పొంది వారిని ప్రోత్సహించకపోతే అతనిలో అభివృద్ధి ఉండదన్నారు. ప్రతి ఒక్కరిని ఆదర్శంగా తీసుకొని ముందుకెళ్లాలని కోరారు. స్ఫూర్తిదాయకమైన విద్యార్థులను ప్రోత్సహిస్తూ కృతజ్ఞతలు తెలిపారు. దాదాపు 300 మంది పైగా విద్యార్థులు హాజరయ్యారు శాలువా, జ్ఞాపకంతో అతిథులను సత్కరించారు. కార్యక్రమంలో వైస్ ప్రెసిడెంట్ డాక్టర్ సయ్యద్ అజం పాషాఖాద్రి, నిర్వాహకులు శశికిరణ్, ప్రొఫెసర్ ఇర్షాద్ అలీ, అధ్యాపకులు, విద్యార్థులు తదితరులు పాల్గొన్నారు.

فیڈریشن آف بیناریٹی انسٹی ٹیوشنس انٹرمیڈیٹ کالجس کی جانب سے ایک کرکٹ ٹورنامنٹ سیزن 1- کا انعقاد کیا جا رہا ہے جس کو لارڈز انسٹی ٹیوٹ آف انجینئرنگ اینڈ ٹیکنالوجی نے اسپانسر کیا جس کیلئے طارق انصاری (چیئر مین تلنگانہ تعلیتی کمیشن)، کرشنا آدیہ آئی اے ایس (سیکرٹری ٹی جی بی آئی ای)، یوگیش گوتم آئی پی ایس (ڈی سی پی راجندر نگر ادارہ)، سیدوی ایس ایم ایس (سید ویسٹرن) اور ایم ایس ایس ایم۔ تنویر احمد (جوینٹ سکریٹری لارڈز اداروں)، گوری ستیش (ریاستی صدر ٹی جے ایم اے) اور ایف او ایم آئی کے اراکین نے بھی تعاون کیا۔ ٹورنامنٹ تین دن (25، 26، 27) نومبر 2025 تک کھیلا جائے گا۔

### Cricket Tournament Inauguration at LIET

A Cricket Tournament (Vision-1) was inaugurated at Lords Institute of Engineering & Technology, Himayatsagar on 25 November 2025. The programme was inaugurated by Srikrishna Aditya, State Minority Secretary for Intermediate Educational Institutions, as the Chief Guest.

In his address, he emphasized the importance of promoting sports along with technology and education for the overall development of students. He encouraged students to actively participate in sports and enhance their skills.

The tournament was conducted over three days (25–27 November) with enthusiastic participation from students.

Several dignitaries, faculty members, and officials attended the event, making the programme successful and motivating for the students.

## حیدرآباد کے لارڈز انسٹی ٹیوٹ آف انجینئرنگ اینڈ ٹیکنالوجی کے طلباء نے نیشنل اسمارٹ انڈیا ہیکٹھون 2025 جیت لیا

حیدرآباد، 13 دسمبر 2025 - لارڈز انسٹی ٹیوٹ آف انجینئرنگ اینڈ ٹیکنالوجی (LIET)، حیدرآباد کے طلباء نے نیشنل اسمارٹ انڈیا ہیکٹھون 2025 (SIH) جیت لیا۔ چھوٹی ٹیم "کنکریٹ گارڈ" نے آئی آئی روڑکی میں منعقد کیے جانے والے 19 ویں ایڈیشن میں ایک کم لاگت، پورٹبل جوٹ ریپنگ مشین تیار کرنے کی ضرورت تھی جس کا مقصد پیداواری صلاحیت کو بہتر بنا کر اور دستی مزدوری کو کم کر کے کسانوں کی مدد کرنا تھا۔ ٹیم کے اختراعی اور عملی حل نے جیوری کو متاثر کیا جس کی وجہ سے ان کی فتح ہوئی۔

حیدرآباد، 13 دسمبر 2025 - لارڈز انسٹی ٹیوٹ آف انجینئرنگ اینڈ ٹیکنالوجی (LIET)، حیدرآباد کے طلباء نے نیشنل اسمارٹ انڈیا ہیکٹھون 2025 (SIH) جیت لیا۔ چھوٹی ٹیم "کنکریٹ گارڈ" نے آئی آئی روڑکی میں منعقد کیے جانے والے 19 ویں ایڈیشن میں ایک کم لاگت، پورٹبل جوٹ ریپنگ مشین تیار کرنے کی ضرورت تھی جس کا مقصد پیداواری صلاحیت کو بہتر بنا کر اور دستی مزدوری کو کم کر کے کسانوں کی مدد کرنا تھا۔ ٹیم کے اختراعی اور عملی حل نے جیوری کو متاثر کیا جس کی وجہ سے ان کی فتح ہوئی۔

## LIET Students Win Smart India Hackathon 2025 at IIT Roorkee

Students from Lords Institute of Engineering & Technology, Hyderabad achieved national recognition by winning the Smart India Hackathon 2025 held at Indian Institute of Technology Roorkee. The team developed a low-cost and durable weeding machine for the agriculture and forestry sector, aimed at reducing farmers' costs and improving productivity.

The innovative project earned the team a ₹1.5 lakh prize and was appreciated for its practicality, portability, and social impact. The achievement highlights the students' innovation and reflects the institution's strong focus on research, technology, and real-world problem solving.

## آئی ای ٹی کی ٹیم کو اسمارٹ انڈیا ہیکٹھون 2025 میں شاندار کامیابی

حیدرآباد - 13 دسمبر (پریس نوٹ) انسٹی ٹیوٹ آف انجینئرنگ اینڈ ٹیکنالوجی (LIET)، حیدرآباد کی 2 لڑکیوں، 6 طلبہ کی ٹیم نے وزارت تعلیم، شیمنٹیل آف انڈیا کے زیر اہتمام اسمارٹ انڈیا ہیکٹھون 2025 میں نیشنل اسمارٹ انڈیا ہیکٹھون 2025 جیت لیا۔ چھوٹی ٹیم "کنکریٹ گارڈ" نے آئی آئی روڑکی میں منعقد کیے جانے والے 19 ویں ایڈیشن میں ایک کم لاگت، پورٹبل جوٹ ریپنگ مشین تیار کرنے کی ضرورت تھی جس کا مقصد پیداواری صلاحیت کو بہتر بنا کر اور دستی مزدوری کو کم کر کے کسانوں کی مدد کرنا تھا۔ ٹیم کے اختراعی اور عملی حل نے جیوری کو متاثر کیا جس کی وجہ سے ان کی فتح ہوئی۔

LIET Student Secures First Rank in India Skills –  
 Web Technology

Mohammad Yasar, a 3rd year B.Tech CSE student of Lords Institute of Engineering & Technology, Hyderabad, secured first rank at the state level in the Web Technology category at the India Skills Competition 2025 organized by the Government of Telangana. He was awarded a cash prize of ₹10,000 for his outstanding performance and has qualified for the regional level competition.

This achievement reflects the student's technical skills, dedication, and academic excellence, and highlights the institution's strong commitment to skill-based learning and innovation.

ڈسٹری بیوشن ٹرانسفارمر سٹم ہے جس کا مقصد عملہ تلگانہ بھر کے صارفین کو معیاری خدمات جگہ کی کمی پر قابو پانا اور شہری علاقوں میں تحفظ کو اور قابل اعتماد برقی کی فراہمی کے لئے مزید بہتر بنانا ہے۔ روایتی ٹرانسفارمرس کے برعکس گن کے ساتھ کام جاری رکھیں گے۔
